E. IMPORT OF SPORT-HUNTED TROPHIES OF ARGALI

Note 1. If you hold an import permit for a trophy that you did not use, please return the unused original permit. If you are requesting reissuance of a permit because you have taken a trophy, but were unable to import it prior to the expiration of the permit, please use the renewal form, (3-200-52) <http://www.fws.gov/forms/display.cfm?number1=200>, and return your original permit with that form.

Note 2. This form should be used only if you intend to hunt in Mongolia, the Kyrgyz Republic (Kyrgyzstan), and the Republic of Tadjikistan (Tajikistan) that have annual quotas on the take of argali. Any permits issued will be conditioned that the permit is valid only if, at the port of entry, evidence from the conservation agency in the country of origin is presented showing that the trophy was part of that quota (e.g., copy of hunting license). If you are hunting in a different country, please use form 3-200-20 <http://www.fws.gov/forms/display.cfm?number1=200>

Note 3. Typically the Service receives more applications for permits than we are able to issue. In order to create the most equitable distribution system for issued permits, we have developed a specific procedure for accepting and ranking argali applications. Please see a discussion of this procedure on our website (www.fws.gov/international).

Provide the following information. Complete all questions on the application. Mark questions that are not applicable with "N/A". If needed, use a separate sheet of paper. On all attachments or separate sheets you submit, please indicate the application question number you are addressing. If applying for more than one trophy, be sure to answer questions 2 through 6 for each trophy addressed in the application.

1. ENTER the quantity next to the name of Argali subspecies you are applying to import:

Argali (Marco Polo Sheep) (<i>Ovis ammon poli</i>)	Quantity:	_____
Argali (Altai Sheep) (<i>Ovis ammon ammon</i>)	Quantity:	_____
Argali (Gobi Sheep) (<i>Ovis ammon darwini</i>)	Quantity:	_____

[Includes Hangai argali (the Service does not consider this to be a separate subspecies from *O. a. darwini*)]

2. Date (MM/DD/YY) wildlife was (or is to be) taken:

3. **IF THE TROPHY IS ALREADY TAKEN,**

a. Country and place (e.g., area, region, or hunting camp AND nearest city/town) where the argali was taken (provide a map if possible).

b. Description and size of the trophy/parts (e.g., skin, skull, shoulder mount, life size mount, claws, horn) to be imported.

c. The current location of the trophy (address and country):

4. **IF ANIMAL IS CURRENTLY LIVING IN THE WILD,**

a. Country and place (e.g., area, region, or hunting camp, AND nearest city/town) where the argali is intended to be taken. Please be specific and provide a map, if available.

b. Description of the trophy and/or parts you intend to import (e.g., skin, skull, shoulder mount, life size mount, claws, horn):

5. From which country do you intend to export/re-export the specimen, if different from the country of origin?

6. The U.S. Fish and Wildlife Service must make certain determinations under the U.S. Endangered Species Act before an import permit can be issued. If you have information (e.g., recent population surveys of argali in the area where you will hunt/have hunted; how the funds from license/trophy fees will be spent; what portion of the hunting fee will support conservation) that would support our findings, submit this information below or on a separate page with your application.

7. CERTIFICATION STATEMENT:

I acknowledge that the sport-hunted argali trophy(ies) to be imported has been/will be personally hunted by me and is being imported only for my personal use (i.e., **not for sale, transfer, donation, or exchange that is reasonably likely to result in economic use, gain, or benefit**).

Applicant's signature: _____ Date: _____

9. Enter the U.S. port through which the [export/re-export/import] will occur.

(All wildlife, including parts and products, must be declared to and inspected by a Wildlife Inspector from the U.S. Fish and Wildlife Service Office of Law Enforcement prior to leaving the United States. A list of designated ports (where an inspector is posted) is available at http://www.fws.gov/le/ImpExp/Contact_Info_Ports.htm.)
