EXPORT/RE-EXPORT OF PLANTS (CITES)

Please continue to next page E.

You may use this form for a single shipment, personal or household plants, or to establish a Master File. If you wish to request authorization for multiple commercial exports of artificially propagated plants, please use form 3-200-33 (www.fws.gov/forms).

Provide the following information. Complete all questions on the application. If needed, use a separate sheet of paper. On all attachments or separate sheets you submit, indicate the number of the application question you are addressing. Mark questions that are not applicable with "N/A". Indicate which plants are being addressed in each response.

Electronic submission of inventories, photographs, and receipts: Some applications contain long inventories and/or a large number of photographs or receipts. You may provide electronic versions of these documents. Such a submission may assist to expedite the processing of your application since it will eliminate the need for data entry by U.S. Fish and Wildlife Service. You may include a disk containing your information or, if applicable, please check the following: I would like you to contact me at the email address above in order to get an electronic inventory.

1. What activity are you requesting?
 - a. **SINGLE SHIPMENT** for export/re-export (processing Fee = \$100)
 - b. **PRE-CONVENTION/SINGLE SHIPMENT** (processing Fee = \$75)
 - c. **PERSONAL/HOUSEHOLD PLANTS/SINGLE SHIPMENT** (processing Fee = \$50)
 - d. **ESTABLISHMENT OF A MASTER FILE** (processing Fee = \$200) (This application allows you set up a Master File, valid for three years and is renewable, for exports of plant specimens under CITES. Once the Master File is approved you would need to obtain single-use permits, valid for 6 months, for each export (50 CFR 13.11))
 - e. **Renewal and/or Amendment of an Established Master File**, # _____ (processing Fee = \$100)

2. IF establishing a new **master file** or renewing a previous master file, how many single-use permits do you anticipate using in the next 6 months? _____ (Provide \$5 for each 6-month permit.) *For future shipments, additional permits may be requested using form 3-200-74;.*
<http://www.fws.gov/forms/display.cfm?number1=200>

3. On a separate page, please list all specimens, sorted by Appendices (I, II, or III) and sorted by native species versus non-native species. For EACH plant specimen, indicate:
 - a. Scientific name (genus, species, and if applicable, hybrid, variety, cultivar, or subspecies) and common name;
 - b. General description (e.g., whole plant, seeds, raw product, parts and derivatives; size)*
** For Plant Products (e.g., timber, medicinal products, nutritional supplements), the general description (example: bottles of Hoodia gordonii, 30 capsules in each bottle, each capsule contains 100 mg of H. gordonii) should include:*
 - i. Form of product (e.g., plywood, tablet, capsule, fruit bar);
 - ii. Form of packaging (if applicable);
 - iii. Quantity, including the amount/percentage of listed plant species in each package, in metric units; and
 - iv. Product name, if applicable.
 - c. Quantity;
 - d. Country where the plant was acquired; and
 - e. Source of the specimen (e.g., removed from the wild or artificially propagated).

4. If you are requesting a single shipment, provide recipient's foreign address:

5. Current location of specimens _____

6. What is the purpose of the export? _____
7. Is this shipment a sample collection being exported for temporary exhibition or display purposes and accompanied by a valid **ATA carnet**? NO YES; If available, provide ATA carnet document number _____.
8. For **Plants Collected From the Wild in the United States**, on a separate page, provide the following for each species collected from the wild:
- Number of specimens collected;
 - Specific location, and date of collection for each specimen;
 - Who (name and address) collected the specimens;
 - Copies of documents that indicate that the plants were legally collected (e.g., State permits or licenses, landowner's permission). Be sure to correlate each document to the corresponding plant;
 - Approximate density (such as number of plants per acre) and distribution of the species at the collection site(s);
 - Collection methodology (e.g., whether the specimens were removed from one clump in an area of several clumps or from more than one clump or patch at a specific location); AND
 - Ratio of how many collected to how many remain.
 - If you purchased the plants/seeds, provide the invoice or other document that shows the name, address and telephone number of the person from whom you purchased the plants and the date of purchase for each specimen (such documentation should trace back to the original collector).
9. For **wild-collected Appendix-I plants**, provide a copy of the CITES import permit issued by the Management Authority of the country to which you plan to export the plant.
10. For **Artificially Propagated Plants** provide:
- If you purchased the plants from a propagator that is currently holding a valid Certificate of Artificially Propagated Plants (CAPP), provide a signed statement from the propagator attesting that the specimens were artificially propagated that their facility AND provide the invoice or other document that shows the name, address and telephone number of the person from whom you purchased the plants and the date of purchase for each specimen.
 - If you purchased the plants from a propagator that is not currently holding a valid CAPP, you will need to provide sufficient information to determine if the specimens meet the criteria under Resolution Conf. 11.11 (rev. CoP13) to qualify as Artificially Propagated under CITES. You may either contact our office or refer to Section E, Parts I, II, and III, of application form 3-200-33 (<http://www.fws.gov/forms/display.cfm?number1=200>).
11. For **Re-Export** (the export of plants that were previously imported), provide evidence the specimen(s) was legally imported:

PERMIT APPLICATION FORM INSTRUCTIONS

The following instructions pertain to an application for a U.S. Fish and Wildlife Service or CITES permit. The General Permit Procedures in 50 CFR 13 address the permitting process. For simplicity, all licenses, permits, registrations, and certificates are referred to as a permit.

GENERAL INSTRUCTIONS:

- Complete all blocks/lines/questions in Sections A or B, C, D, and E.
- **An incomplete application may cause delays in processing or may be returned to the applicant. Be sure you are filling in the appropriate application form for the proposed activity.**
- Print clearly or type in the information. Illegible applications may cause delays.
- Sign the application in [blue](#) ink. Faxes or copies of the original signature will not be accepted.
- Mail the original application to the address at the top of page one of the application or if applicable on the attached address list.
- **Keep a copy of your completed application.**
- **Please plan ahead. Allow at least 60 days for your application to be processed. Some applications may take longer than 90 days to process. (50 CFR 13.11)**
- Applications are processed in the order they are received.

Additional forms and instructions are available from <http://www.fws.gov/forms/display.cfm?number1=200>.

COMPLETE EITHER SECTION A OR SECTION B:

Section A. Complete if applying as an individual:

- Enter the complete name of the responsible individual who will be the permittee if a permit is issued. Enter personal information that identifies the applicant. **Fax and e-mail are not required if not available.**
- If you are applying on behalf of a client, the personal information must pertain to the client, and a document evidencing power of attorney must be included with the application.
- **Affiliation/ Doing business as (dba):** business, agency, organizational, tribe, or institutional affiliation *directly* related to the activity requested in the application (e.g., a taxidermist is an individual whose business can *directly* relate to the requested activity). The Division of Management Authority (DMA) will **not** accept *doing business as* affiliations for individuals.

Section B. Complete if applying as a business, corporation, public agency, tribe, or institution:

- Enter the complete name of the business, agency, tribe, or institution that will be the permittee if a permit is issued. Give a brief description of the type of business the applicant is engaged in. Provide contact phone number(s) of the business.
- **Principal Officer** is the person in charge of the listed business, corporation, public agency, tribe, or institution. The principal officer is the person responsible for the application and any permitted activities. Often the principal officer is a Director or President. **Primary Contact** is the person at the business, corporation, public agency, or institution who will be available to answer questions about the application or permitted activities. Often this is the preparer of the application.

ALL APPLICANTS COMPLETE SECTION C:

- For all applications submitted to the Division of Management Authority (DMA) a physical U.S. address is **required**. Province and Country blocks are provided for those U.S. FWS programs which use foreign addresses and are not required by DMA..
- **Mailing address** is address where communications from U.S. FWS should be mailed if different than applicant's physical address.

ALL APPLICANTS COMPLETE SECTION D:

Section D.1 Application processing fee:

- An application processing fee is required at the time of application; unless exempted under 50 CFR 13.11(d)(3). The application processing fee is assessed to partially cover the cost of processing a request. **The fee does not guarantee the issuance of a permit. Fees will not be refunded for applications that are approved, abandoned, or denied.** We may return fees for withdrawn applications prior to any significant processing occurring.
- **Documentation of fee exempt status is not required for Federal, tribal, State, or local government agencies; but must be supplied by those applicants acting on behalf of such agencies.** Those applicants acting on behalf of such agencies must submit a letter on agency letterhead and signed by the head of the unit of government for which the applicant is acting on behalf, confirming that the applicant will be carrying out the permitted activity for the agency.

Section D.2 Federal Fish and Wildlife permits:

- List the number(s) of your most current FRS or CITES permit or the number of the most recent permit if none are currently valid. If applying for re-issuance of a CITES permit, the original permit must be returned with this application.

Section D.3 CERTIFICATION:

- **The individual identified in Section A, the principal officer named in Section B, or person with a valid power of attorney (documentation must be included in the application) must sign and date the application in blue ink.** This signature binds the applicant to the statement of certification. This means that you certify that you have read and understand the regulations that apply to the permit. You also certify that everything included in the application is true to the best of your knowledge. Be sure to read the statement and re-read the application and your answers before signing.

 - d. Marine Mammal Protection Act of 1972 (16 U.S.C. 1361, *et seq.*), 50 CFR 18;
 - e. Wild Bird Conservation Act (16 U.S.C. 4901-4916), 50 CFR 15;
 - f. Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16;
 - g. Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249), <http://www.cites.org/>, 50 CFR 23;
 - h. General Provisions, 50 CFR 10;
 - i. General Permit Procedures, 50 CFR 13; and
 - j. Wildlife Provisions (Import/export/transport), 50 CFR 14.
2. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the above laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. We may not conduct or sponsor and you are not required to respond to collection of information unless it displays a currently valid OMB control number.
3. Certain applications for permits authorized under the Endangered Species Act of 1973 (16 U.S.C. 1539) and the Marine Mammal Protection Act of 1972 (16 U.S.C. 1374) will be published in the **Federal Register** as required by the two laws.
4. Disclosures outside the Department of the Interior may be made without the consent of an individual under the routine uses listed below, if the disclosure is compatible with the purposes for which the record was collected. (Ref. 68 FR 52611, September 4, 2003)
 - a. Routine disclosure to subject matter experts, and Federal, tribal, State, local, and foreign agencies, for the purpose of obtaining advice relevant to making a decision on an application for a permit or when necessary to accomplish a FWS function related to this system of records.
 - b. Routine disclosure to the public as a result of publishing **Federal Register** notices announcing the receipt of permit applications for public comment or notice of the decision on a permit application.
 - c. Routine disclosure to Federal, tribal, State, local, or foreign wildlife and plant agencies for the exchange of information on permits granted or denied to assure compliance with all applicable permitting requirements.
 - d. Routine disclosure to Captive-bred Wildlife registrants under the Endangered Species Act for the exchange of authorized species, and to share information on the captive breeding of these species.
 - e. Routine disclosure to Federal, tribal, State, and local authorities who need to know who is permitted to receive and rehabilitate sick, orphaned, and injured birds under the Migratory Bird Treaty Act and the Bald and Golden Eagle Protection Act; federally permitted rehabilitators; individuals seeking a permitted rehabilitator with whom to place a bird in need of care; and licensed veterinarians who receive, treat, or diagnose sick, orphaned, and injured birds.
 - f. Routine disclosure to the Department of Justice, or a court, adjudicative, or other administrative body or to a party in litigation before a court or adjudicative or administrative body, under certain circumstances.
 - g. Routine disclosure to the appropriate Federal, tribal, State, local, or foreign governmental agency responsible for investigating, prosecuting, enforcing, or implementing statutes, rules, or licenses, when we become aware of a violation or potential violation of such statutes, rules, or licenses, or when we need to monitor activities associated with a permit or regulated use.
 - h. Routine disclosure to a congressional office in response to an inquiry to the office by the individual to whom the record pertains.
 - i. Routine disclosure to the General Accounting Office or Congress when the information is required for the evaluation of the permit programs.
 - j. Routine disclosure to provide addresses obtained from the Internal Revenue Service to debt collection agencies for purposes of locating a debtor to collect or compromise a Federal claim against the debtor or to consumer reporting agencies to prepare a commercial credit report for use by the FWS.
5. For individuals, personal information such as home address and telephone number, financial data, and personal identifiers (social security number, birth date, etc.) will be removed prior to any release of the application.
6. The public reporting burden on the applicant for information collection varies depending on the activity for which a permit is requested. The relevant burden for an Export/Re-Export of Plants application is 60 minutes. This burden estimate includes time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. You may direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, U.S. Fish and Wildlife Service, Mail Stop 222, Arlington Square, U.S. Department of the Interior, 1849 C Street, NW, Washington D.C. 20240.

Freedom of Information Act – Notice

For organizations, businesses, or individuals operating as a business (i.e., permittees not covered by the Privacy Act), we request that you identify any information that should be considered privileged and confidential business information to allow the Service to meet its responsibilities under FOIA. Confidential business information must be clearly marked "Business Confidential" at the top of the letter or page and each succeeding page and must be accompanied by a non-confidential summary of the confidential information. The non-confidential summary and remaining documents may be made available to the public under FOIA [43 CFR 2.13(e)(4), 43 CFR 2.15(d)(1)(i)].
