## E. Export/Re-Export of Live Captive-Held Marine Mammals (CITES)

*Note: This application is for the export or re-export of captive-held LIVE marine mammals under the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES). Under the MMPA, marine mammals can only be exported for the purpose of public display, scientific research, or enhancing the survival or species of the stock.*

*This application is NOT for the collection (TAKE) of live animals from the wild: For these activities, use [form 3-200-43](#) for U.S. Fish and Wildlife Service (FWS) species (polar bear, walrus, sea and marine otters, manatees and dugongs); or for whales, porpoises, and seals contact the National Marine Fisheries Service (NMFS), Office of Protected Resources, 1315 East-West Highway, Silver Spring, Maryland 20910 (phone: 301-713-2289; fax: 301-713-0376).*

Provide the following information. Complete all questions on the application. Mark questions that are not applicable with "N/A". If needed, use a separate sheet of paper. On all attachments or separate sheets you submit, please indicate the application question number you are addressing. If you are applying to export/re-export multiple animals, be sure to indicate which animal you are addressing in each response.

1. For what activity are you requesting authorization to carry out (check the appropriate box):

EXPORT = \$100  Re-export = \$75

2. Provide the following for EACH animal you are applying:

- a. Scientific name (genus, species, and if applicable, subspecies);
- b. Common name;
- c. Birth date/Age;
- d. Sex (if known);
- e. Description (e.g. I.D. #, ISIS #, tattoo #);
- f. Country where the wildlife originated;
- g. Indicate if the wildlife was originally taken from the wild or born in captivity; and
- h. Current location of the specimen.

2. What is the purpose of the export/re-export?

---

3. For animals **previously taken from the wild, or imported** provide a copy of the Marine Mammal Protection Act (MMPA) permit or other authorization demonstrating that the specimens were legally obtained.

4. For **captive-born wildlife**, provide an ARKS/ZIMS report OR:

- a. If the animal was born at your facility, please provide a statement that includes:
  - i. Birth date, sex, and identification number of each specimen;
  - ii. Name and address of your facility where the animal was born;
  - iii. Location and source (e.g., captive-born, wild-caught) of parental stock; and
  - iv. Your signature and date.
- b. If the animal was born at another facility, provide a signed statement from the facility detailing the origin of the animal and records that include:
  - i. The complete name and address of the facility where the animal was born;
  - ii. Birth date, sex, and identification number of each specimen;
  - iii. Location and source (e.g., captive-born, wild-caught) of parental stock; and
  - iv. Copies of documentation showing that you acquired the animal from the facility or documentation demonstrating the history of transactions (chain of ownership of each animal).

5. If the specimen is being re-exported (exporting a specimen that was previously imported into the United States) provide:
  - a. A copy of the canceled CITES export or re-export document issued by the appropriate CITES office in the country from which the wildlife was imported (if applicable); **and**
  - b. A cleared copy of Form 3-177, wildlife Declaration for Import (hard copy or electronic release); **or**
  - c. If you did not make the original import, provide a copy of the importer's documents outlined above and the invoice or other documentation that shows you acquired the wildlife from the original importer or history of transactions which demonstrate chain of ownership.
6. Provide the name and address of the person receiving the shipment in the foreign country (if self, provide address abroad).

Name: \_\_\_\_\_  
 Address \_\_\_\_\_  
 City, Country, Postal Code \_\_\_\_\_

7. If the animal was obtained prior to the date **CITES** applied to it ("**pre-Convention**"), provide documents, signed statement, or other evidence to that effect. The listing date can be found at <http://www.cites.org>.
8. For CITES Appendix-I species, provide a copy of the foreign CITES import permit, or evidence one will be issued by the Management Authority of the country to which you plan to export or re-export the wildlife. (In accordance with Article III of the CITES Treaty, it is required that import permits are issued before the corresponding export permit.)
9. For whales, porpoises, and seals provide either a copy of the NOAA Fisheries letter of authorization for export or evidence that NOAA Fisheries has been contacted.

**Questions 10 through 15 apply only for the export or re-export of FWS species**

10. Provide a copy of the MMPA/ESA permit or authorization for this activity **OR** provide the appropriate information for question 11, 12, or 13.
11. If the purpose of the export/re-export is for **Public Display**, provide certification from the importer's relevant foreign authority (e.g. provincial or national government) that:
  - a. The foreign recipient maintains their facility for public display of marine mammals;
  - b. the facility is open to the public on a regularly scheduled basis;
  - c. access to such facilities is not limited or restricted other than by charging an admission fee; and
  - d. the recipient offers a program for education or conservation purposes that is based on professionally recognized standards of the public display community (include copies of outreach/educational materials, photos of signage, etc., along with an English translation).
12. If the purpose of the export/re-export is for **Scientific Research**, provide information indicating that the export of the animal meets the MMPA definition of "*bona fide* research," i.e., scientific research on marine mammals, the results of which—(A) likely would be accepted for publication in a referred scientific journal; (B) are likely to contribute to the basic knowledge of marine mammal biology or ecology; or (C) are likely to identify, evaluate, or resolve conservation problems.

13. If the purpose of the export/re-export is for **Enhancement**, provide an explanation of how the proposed activities:
  - a. Will contribute significantly to maintaining or increasing distribution or numbers necessary to ensure the survival or recovery of the species or stock; and
  - b. Is consistent with any U.S. conservation or recovery plan or the factors that would be addressed in any such plan.
  
14. Provide a certification from the appropriate government agency of the importing country to show that:
  - a. The laws and regulations of that government allow enforcement of the U.S. permit conditions;
  - b. such conditions will be enforced;
  - c. the government will afford comity to the USFWS to amend, suspend or revoke the permit, if issued; and
  - d. the documents provided by and about the foreign facility are true and correct.
  
15. Provide a copy of the letter from the U.S. Department of Agriculture (USDA), Animal and Plant Health Inspection Service, confirming that the foreign recipient meets comparable standards under the Animal Welfare Act for maintenance and care of marine mammals.

**FOR ALL APPLICANTS**

16. **The transport conditions must comply with the CITES Guidelines for Transport of Live Animals** or, in the case of air transport, with the International Air Transport Association (IATA) live animal regulations (contact airline for information). You must also meet USDA standards for Humane and Healthful Transport of Marine Mammals. As such, provide:
  - a. The means and duration of transportation;
  - b. A description of the type, size, and construction of any shipping container;
  - c. The arrangements for watering or otherwise caring for the wildlife during transport,
  - d. The qualifications of the person(s) accompanying the wildlife;
  - e. Documentation showing compliance with USDA regulations for transport and care of live marine mammals (7 U.S.C. 2131-2159; 9 CFR 3, Part E).
  
17. Enter the U.S. port through which the export/re-export will occur. \_\_\_\_\_  
 (All wildlife, including parts and products, must be declared to and inspected by a Wildlife Inspector from the U.S. Fish and Wildlife Service Office of Law Enforcement prior to leaving the United States. A list of designated ports (where an inspector is posted) is available from [http://www.fws.gov/le/ImpExp/Contact\\_Info\\_Ports.htm](http://www.fws.gov/le/ImpExp/Contact_Info_Ports.htm).)
  
18. Address where you wish permit mailed (if different than page 1):  
 \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_
  
19. If you wish the permit to be sent to you by means other than regular mail, provide an air bill, pre-paid envelope, or billing information:  
 \_\_\_\_\_
  
20. Who should we contact if we have questions about the application? (Include name, phone number, and email):  
 \_\_\_\_\_

## APPLICATION FORM INSTRUCTIONS

The following instructions pertain to an U.S. Fish and Wildlife Service or CITES permit. The General Permit Procedures in 50 CFR 13 address the permitting process. For simplicity, all licenses, permits, registrations, and certificates are referred to as a permit.

### GENERAL INSTRUCTIONS:

- Complete all blocks/lines/questions in Sections A or B, C, D, and E.
- **An incomplete application may cause delays in processing or may be returned to the applicant. Be sure you are filling in the appropriate application form for the proposed activity.**
- Print clearly or type in the information. Illegible applications may cause delays.
- Sign the application in **blue** ink. Faxes or copies of the original signature will not be accepted.
- Mail the original application to the address at the top of page one of the application or if applicable on the attached address list.
- **Keep a copy of your completed application.**
- **Please plan ahead. Allow at least 60 days for your application to be processed. Some applications may take longer than 90 days to process. (50 CFR 13.11)**
- Applications are processed in the order they are received.

Additional forms and instructions are available from <http://www.fws.gov/forms/display.cfm?number1=200>

### COMPLETE EITHER SECTION A OR SECTION B:

#### Section A. Complete if applying as an individual:

- Enter the complete name of the responsible individual who will be the permittee if a permit is issued. Enter personal information that identifies the applicant. **Fax and e-mail are not required if not available.**
- If you are applying on behalf of a client, the personal information must pertain to the client, and a document evidencing power of attorney must be included with the application.
- **Affiliation/ Doing business as (dba):** business, agency, organizational, tribe, or institutional affiliation *directly* related to the activity requested in the application (e.g., a taxidermist is an individual whose business can *directly* relate to the requested activity). The Division of Management Authority (DMA) will **not** accept *doing business as* affiliations for individuals.

#### Section B. Complete if applying as a business, corporation, public agency, tribe or institution:

- Enter the complete name of the business, agency, tribe, or institution that will be the permittee if a permit is issued. Give a brief description of the type of business the applicant is engaged in. Provide contact phone number(s) of the business.
- **Principal Officer** is the person in charge of the listed business, corporation, public agency, tribe, or institution. The principal officer is the person responsible for the application and any permitted activities. Often the principal officer is a Director or President. **Primary Contact** is the person at the business, corporation, public agency, or institution who will be available to answer questions about the application or permitted activities. Often this is the preparer of the application.

### ALL APPLICANTS COMPLETE SECTION C:

- For all applications submitted to the Division of Management Authority (DMA) a physical U.S. address is **required**. Province and Country blocks are provided for those USFWS programs which use foreign addresses and are not required by DMA..
- **Mailing address** is address where communications from USFWS should be mailed if different than applicant's physical address.

### ALL APPLICANTS COMPLETE SECTION D:

#### Section D.1 Application processing fee:

- An application processing fee is required at the time of application; unless exempted under 50 CFR13.11(d)(3). The application processing fee is assessed to partially cover the cost of processing a request. **The fee does not guarantee the issuance of a permit. Fees will not be refunded for applications that are approved, abandoned, or denied.** We may return fees for withdrawn applications prior to any significant processing occurring.
- **Documentation of fee exempt status is not required for Federal, tribal, State, or local government agencies; but must be supplied by those applicants acting on behalf of such agencies.** Those applicants acting on behalf of such agencies must submit a letter on agency letterhead and signed by the head of the unit of government for which the applicant is acting on behalf, confirming that the applicant will be carrying out the permitted activity for the agency.

#### Section D.2 Federal Fish and Wildlife permits:

- List the number(s) of your most current FWS or CITES permit or the number of the most recent permit if none are currently valid. If applying for re-issuance of a CITES permit, the original permit must be returned with this application.

#### Section D.3 CERTIFICATION:

- **The individual identified in Section A, the principal officer named in Section B, or person with a valid power of attorney (documentation must be included in the application) must sign and date the application in blue ink.** This signature binds the applicant to the statement of certification. This means that you certify that you have read and understand the regulations that apply to the permit. You also certify that everything included in the application is true to the best of your knowledge. Be sure to read the statement and re-read the application and your answers before signing.

  - c. Migratory Bird Treaty Act (16 U.S.C. 703-712), 50 CFR 21;
  - d. Marine Mammal Protection Act of 1972 (16 U.S.C. 1361, *et seq.*), 50 CFR 18;
  - e. Wild Bird Conservation Act (16 U.S.C. 4901-4916), 50 CFR 15;
  - f. Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16;
  - g. Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249), <http://www.cites.org/>, 50 CFR 23;
  - h. General Provisions, 50 CFR 10;
  - i. General Permit Procedures, 50 CFR 13; and
  - j. Wildlife Provisions (Import/export/transport), 50 CFR 14.
2. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the above laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. We may not conduct or sponsor and you are not required to respond to collection of information unless it displays a currently valid OMB control number.
3. Certain applications for permits authorized under the Endangered Species Act of 1973 (16 U.S.C. 1539) and the Marine Mammal Protection Act of 1972 (16 U.S.C. 1374) will be published in the **Federal Register** as required by the two laws.
4. Disclosures outside the Department of the Interior may be made without the consent of an individual under the routine uses listed below, if the disclosure is compatible with the purposes for which the record was collected. (Ref. 68 FR 52611, September 4, 2003)
  - a. Routine disclosure to subject matter experts, and Federal, tribal, State, local, and foreign agencies, for the purpose of obtaining advice relevant to making a decision on an application for a permit or when necessary to accomplish a FWS function related to this system of records.
  - b. Routine disclosure to the public as a result of publishing **Federal Register** notices announcing the receipt of permit applications for public comment or notice of the decision on a permit application.
  - c. Routine disclosure to Federal, tribal, State, local, or foreign wildlife and plant agencies for the exchange of information on permits granted or denied to assure compliance with all applicable permitting requirements.
  - d. Routine disclosure to Captive-bred Wildlife registrants under the Endangered Species Act for the exchange of authorized species, and to share information on the captive breeding of these species.
  - e. Routine disclosure to Federal, tribal, State, and local authorities who need to know who is permitted to receive and rehabilitate sick, orphaned, and injured birds under the Migratory Bird Treaty Act and the Bald and Golden Eagle Protection Act; federally permitted rehabilitators; individuals seeking a permitted rehabilitator with whom to place a bird in need of care; and licensed veterinarians who receive, treat, or diagnose sick, orphaned, and injured birds.
  - f. Routine disclosure to the Department of Justice, or a court, adjudicative, or other administrative body or to a party in litigation before a court or adjudicative or administrative body, under certain circumstances.
  - g. Routine disclosure to the appropriate Federal, tribal, State, local, or foreign governmental agency responsible for investigating, prosecuting, enforcing, or implementing statutes, rules, or licenses, when we become aware of a violation or potential violation of such statutes, rules, or licenses, or when we need to monitor activities associated with a permit or regulated use.
  - h. Routine disclosure to a congressional office in response to an inquiry to the office by the individual to whom the record pertains.
  - i. Routine disclosure to the General Accounting Office or Congress when the information is required for the evaluation of the permit programs.
  - j. Routine disclosure to provide addresses obtained from the Internal Revenue Service to debt collection agencies for purposes of locating a debtor to collect or compromise a Federal claim against the debtor or to consumer reporting agencies to prepare a commercial credit report for use by the FWS.
5. For individuals, personal information such as home address and telephone number, financial data, and personal identifiers (social security number, birth date, etc.) will be removed prior to any release of the application.
6. The public reporting burden on the applicant for information collection varies depending on the activity for which a permit is requested. The relevant burden for the Export/Re-export of Live Captive-held Marine Mammals is 2 hours. This burden estimate includes time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. You may direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, U.S. Fish and Wildlife Service, Mail Stop 222, Arlington Square, U.S. Department of the Interior, 1849 C Street, NW, Washington D.C. 20240.
