OUTREACH TRAINING PROGRAM REPORT

Instructions for Outreach Trainer

The Outreach Training Program is the Occupational Safety and Health Administration's (OSHA) voluntary orientation training program aimed at workers. It provides workers with information about OSHA and provides an overview of job hazards. Trainers authorized through the OSHA Outreach Training Program must conduct outreach training classes in accordance with the current Outreach Training Program Guidelines issued by the Directorate of Training and Education (DTE). The Outreach Training Program Guidelines can be found online at the OSHA.gov website under Training, OSHA Outreach Training Program.

Item 1 **Trainer Name**

List your full name. When completing student course completion cards, print or type your name on each card to ensure it is legible.

Item 2 **ID No.**

This applies only to trainers who have already received student cards. New trainers do not have an ID number. ID numbers are issued to trainers after their initial course is documented. If this is your first class, or if you have updated your trainer status, include a copy of your trainer card.

Item 3 **Recent Trainer Course**

Indicate the most recent applicable course number you have completed.

Item 4 **Expiration Date**

Enter your trainer expiration date as listed on the bottom right of your Authorized Outreach Trainer card.

Item 5 **Authorizing Training Organization**

List the name of the OSHA Training Institute (OTI) Education Center responsible for your last trainer or update course, or indicate if your training was completed at the OSHA Training Institute.

Item 6 **Trainer Address**

Provide an address where to send the cards. The address you provide should ensure that the cards are sent directly. If you have an ID number and there are no address changes, you are not required to fill in this section.

Item 7 **Course Conducted**

Place an "x" in the appropriate box. A separate report must be completed for each course completed.

Item 8 **Course Information (check all that apply)**

Place an "x" next to all the information that applies to the majority of this course.

Item 9 **No. of Students**

Indicate the number of students who completed the course. Note: If you held a class that contained more or less students than allowed by OSHA policy, include a copy of the prior approval received from your authorizing training organization.

Item 10 **Training Site Address**

Provide the address, city, state, and country where the course was conducted.

Item 11 **Type of Training Site**

Place an "x" next to the type of site where the training was held. If none of the choices apply, specify the type of training site.

Item 12 **Course Duration**

Enter the start date, end date, start time, and end time of the course.

Item 13 **Sponsoring Organization**

Place an "x" in the box to indicate the sponsor of the training, if applicable. If you had a sponsor, but that type of organization is not a choice, check "Other" and specify the type of sponsoring group or organization.

Item 14 **Statement of Certification**

The authorized trainer must sign the statement of certification to verify that the class was conducted in accordance with OSHA's guidelines and attest to the accuracy of the documentation submitted. If requesting cards electronically, the trainer must place an "x" in the box or affix a signature.

Item 15 **Topic Outline**

Complete the applicable 10- or 30-hour topic outline. You must complete this part of the form.

Item 16 **Student Names**

List the first and last name of each student who completed the entire course. Ensure the names are legible. Your course records must include sign-in sheets for each day and a copy of each completed card.
