Sec. 5354. Bond

The bond for a bonded wine cellar shall be in such form, on such conditions, and with such adequate surety, as regulations issued by the Secretary shall prescribe, and shall be in a penal sum not less than the tax on any wine or distilled spirits possessed or in transit at any one

Where additional liability arises as a result of deferral of payment of tax payable on any return, the Secretary may require the proprietor to file a supplemental bond in such amount as may be necessary to protect the revenue. The liability of any person on any such bond shall apply whether the transaction or operation on which the liability of the proprietor is based occurred on or off the proprietor's premises.

(b) Bonds

Every brewer, on filing notice as provided by subsection (a) of his intention to commence business, shall execute a bond to the United States in such reasonable penal sum as the Secretary shall by regulation prescribe as necessary to protect and insure collection of the revenue. The bond shall be conditioned (1) that the brewer shall pay, or cause to be paid, as herein provided, the tax required by law on all beer, including all beer removed for transfer to the brewery from other breweries owned by him as provided in section 5414; (2) that he shall pay or cause to be paid the tax on all beer removed free of tax for export as provided in section 5053(a), which beer is not exported or returned to the brewery; and (3) that he shall in all respects faithfully comply, without fraud or evasion, with all requirements of law relating to the production and sale of any beer aforesaid. Once in every 4 years, or whenever required so to do by the Secretary, the brewer shall execute a new bond or a continuation certificate, in the penal sum prescribed in pursuance of this section, and conditioned as above provided, which bond or continuation certificate shall be in lieu of any former bond or bonds, or former continuation certificate or certificates, of such brewer in respect to all liabilities accruing after its approval. If the contract of surety between the brewer and the surety on an expiring bond or continuation certificate is continued in force between the parties for a succeeding period of not less than 4 years, the brewer may submit, in lieu of a new bond, a certificate executed, under penalties of perjury, by the brewer and the surety attesting to continuation of the bond, which certificate shall

constitute a bond subject to all provisions of law applicable to bonds given pursuant to this section.
