

Housing Opportunities for Persons With AIDS (HOPWA) Program

Annual Progress Report (APR) Measuring Performance Outcomes

OMB Number 2506-0133 Expiration Date XX/XX/XXXX

The HOPWA APR report for competitively selected grantees provides annual information on program accomplishments in meeting the program's performance outcome measure: maintain housing stability; improve access to care; and reduce the risk of homelessness for low-income persons and their families living with HIV/AIDS. The public reporting burden for the collection of information is estimated to average 70 hours per manual response, or less if an automated data collection and retrieval system is in use, along with 68 hours for record keeping, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Grantees are required to report on the activities undertaken only, thus there may be components of these reporting requirements that may not be applicable. This agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless that collection displays a valid OMB control number.

Overview. The Annual Progress Report (APR) provides annual performance reporting on clients outputs and outcomes that enables an assessment of grantee performance in achieving the housing stability outcome measure. The APR fulfills statutory reporting requirements and provides the grantee and HUD with the necessary information to assess the overall performance and accomplishment of the grantee's program activities under the approved goals and objectives.

HOPWA competitive grantees are required to submit an APR for each operating year in which HOPWA grant funds were expended. Information on each competitive grant is to be reported in a separate APR. Grantees must complete Parts 1-5 on standard reporting elements. Grantees approved for "Other Activities", as detailed in their grant agreement, are requested to adapt the APR to report on their unique program accomplishments.

These revisions contained within this edition are designed to accomplish the following: (1) provide for an assessment of unmet need; (2) streamline reporting sources and uses of leveraged resources; (3) differentiate client outcomes for temporary/short-term and permanent facility-based assistance ; (4) clarify indicators for Short-term efforts and reducing the risk of homelessness; and (5) clarify indicators for Access to Care and Support for this special needs population.

In addition, grantees are requested to comply with the Federal Funding Accountability and Transparency Act 2006 (Public Law 109-282), which requires grant recipients to provide general information for all entities (including contractors and sub-contractors) receiving \$25,000+ in federal funding.

Continued Use Periods. Grantees that received HOPWA funding for new construction, acquisition, or substantial rehabilitation are required to operate their facilities for ten years for HOPWA-eligible beneficiaries. If no further HOPWA funds are used to support the facility, in place of filing the APR, the grantee must submit an Annual Certification of Continued Project Operation throughout the required use periods. This certification is included in Part 5F Certification of Continued Usage in this APR. The required use period is three years if rehabilitation is non-substantial.

Record Keeping. Names and other individual information must be kept confidential, as required by 24 CFR 574.440. However, HUD reserves the right to review the information used to complete this report for grants management oversight purposes, except for recording any names and other identifying information. **Information is reported in aggregate to HUD without personal identification. Do not submit client or personal information in data systems to HUD.**

In connection with the development of the Department's standards for Homeless Management Information Systems (HMIS), universal data elements are being collected for clients of HOPWA-funded homeless

assistance projects. These project sponsor records would include: Name, Social Security Number, Date of Birth, Ethnicity and Race, Gender, Veteran Status, Disability Status, Residence Prior to Program Entry, Zip Code of Last Permanent Address, Program Entry Date, Program Exit Date, Unique Person Identification Number, and Household Identification Number. These are intended to match the elements under HMIS. The HOPWA program-level data elements include: Income and Sources, Non-Cash Benefits, HIV/AIDS Status, Housing Support, Services Received, and Housing Status or Destination at the end of the operating year. Other suggested but optional elements are: Behavioral Health Status, Domestic Violence, Employment, Education, General Health Status, Physical Disability, Pregnancy Status, Reasons for Leaving, Veteran's Information, and Children's Education. Other HOPWA projects sponsors may also benefit from collecting these data elements.

Operating Year. The information contained in this APR should reflect the grantee's operating year determined at the time the grant agreement is signed. Project sponsor accomplishment information must coincide with this operating year period. Any change requires the approval of HUD by amendment, such as an extension for one additional year of operation. A renewal grant start date would be coordinated with the close out of the existing grant.

Final Assembly of Report. After the entire report is assembled, please number each page sequentially.

Filing Requirements. Within 90 days of the completion of the operating year, grantees must submit their completed APR to the CPD Director in the grantee's State or Local HUD Office, and to the HOPWA Program Office: Office of HIV/AIDS Housing, Room 7212, U.S. Department of Housing and Urban Development, 451 Seventh Street SW, Washington, D.C. 20410.

Definitions

Adjustment for Duplication: Enables the calculation of an unduplicated output totals by accounting for the total number of households or units that received more than one type of assistance in a given service category.

Administrative Costs: Costs for general management, oversight, coordination, evaluation, and reporting. By statute, grantee administrative costs are limited to 3% of total grant award, to be expended over the life of the grant. Project sponsor administrative costs are limited to 7% of the portion of the grant amount they receive.

Beneficiary: Any individual who received HOPWA housing assistance during the operating year and includes all members of the household receiving assistance.

HOPWA Eligible Person: A low-income person with HIV/AIDS who qualifies the household for HOPWA assistance. This person may be considered "Head of Household." When the APR asks for information on eligible individuals, report on this person only. Where there is more than one person with HIV/AIDS in the household, the additional PWA(s), would be considered a beneficiary(s).

Chronically Homeless Person: An unaccompanied homeless individual with a disabling condition who has either been continuously homeless for a year or more **OR** has had at least four episodes of homelessness in the past three years." For this purpose, the term "homeless" means "a person sleeping in a place not meant for human habitation (e.g., living on the streets) or in an emergency homeless shelter." This does not include doubled-up or overcrowding situations.

Disabling Condition: A diagnosable substance use disorder, serious mental illness, developmental disability, or chronic physical illness or disability, including the co-occurrence of two or more of these conditions. In addition, a disabling condition may limit an individual's ability to work or perform one or more activities of daily living. An HIV/AIDS diagnosis is considered a disabling condition.

85.25, or for non-profits at 24 CFR 84.24.

Extension: In addition to the standard three-year grant term, an *Extension APR* applies to grantees that requested and received the one-year extension of their grant term from the HUD field office.

Facility-Based Housing Assistance: All eligible HOPWA Housing expenditures for associated with supporting facilities including community residences, SRO dwellings, short-term facilities, project-based rental units, master leased units, and other housing facilities approved by HUD.

Grassroots Organization: An organization headquartered in the local community where it provides services; has a social services budget of \$300,000 or less annually, and six or fewer full-time equivalent employees. Local affiliates of national organizations are not considered “grassroots.”

Household: A single individual or a family composed of two or more persons for which household incomes are used to determine eligibility and for calculation of the resident rent payment. Caregivers and non-beneficiaries who resided in the shared unit are not reported on in the APR. The term is used for collecting data on changes in income, changes in access to services, receipt of housing information services, and outcomes on achieving housing stability.

Housing Stability: See Part 6: Worksheet definitions of stable and unstable housing situations.

In-kind Leveraged Resources: These involve additional types of support provided to assist HOPWA beneficiaries such as volunteer services, materials, use of equipment and building space. The actual value of the support can be the contribution of professional services, based on customary rates for this specialized support, or actual costs contributed from other leveraged resources. In determining a rate for the contribution of volunteer time and services, use the rate established in HUD notices, such as the rate of ten dollars per hour. The value of any donated material, equipment, building, or lease should be based on the fair market value at time of donation. Related documentation can be from recent bills of sales, advertised prices, appraisals, or other information for comparable property similarly situated.

Non-HOPWA Leveraged Sources: Cash resources separate from the HOPWA grant award and may include: CDBG, HOME, ESG, SHP, S+C, SRO Mod Rehab, Housing Choice Vouchers (Section 8), PHA units, Supportive Housing for Persons with Disabilities/Elderly (Section 811/202), Low Income Housing Tax Credits (LIHTC), Historic Tax Credits, USDA Rural Housing Service, Ryan White CARE Act programs, other federal programs HHS, VA, DOL, etc, state funds, local government funds, and private philanthropy. While other HOPWA funds may be used in conjunction with this grant, the amounts are not counted as leveraging for purposes of the grant application selection or criteria, and performance is reported under the applicable HOPWA grant.

Operating Costs: Applies to facility-based housing only, for facilities that are currently open. Operating costs can include day-to-day housing function and operation costs like utilities, maintenance, equipment, insurance, security, furnishings, supplies and salary for staff costs directly related to the housing project but not staff costs for delivering services.

Outcome: The HOPWA assisted households who have been enabled to establish or better maintain a stable living environment in housing that is safe, decent, and sanitary, (per the regulations at 24 CFR 574.310(b)) and to reduce the risks of homelessness, and improve access to HIV treatment and other health care and support. The goal that eighty percent of HOPWA clients will maintain housing stability, avoid homelessness, and access care by 2011.

Output: The number of units of housing or households that receive HOPWA housing assistance during the operating year.

Permanent Housing Placement: A supportive housing service that helps establish the household in the housing unit, including but not limited to reasonable costs for security deposits not to exceed two months of rent costs.

Program Income: Gross income directly generated from the use of HOPWA funds, including repayments. See grant administration requirements on program income for state and local governments at 24 CFR

Previous editions are obsolete

Stewardship Units: Units developed with HOPWA, where HOPWA funds were used for acquisition, new construction and rehabilitation, but no longer receive operating subsidies. Report information for the units subject to the three-year use agreement if rehabilitation is non-substantial, and those subject to the ten-year use agreement if rehabilitation is substantial.

Part 2: Grantee Narrative and Performance Assessment

Address items A through D in a one to three page narrative that succinctly assesses how activities undertaken during the operating year met HOPWA program goals and accomplishments, enabled client households to improve housing stability, increased access to care and support, and reduced their risk of homelessness. Describe any innovative outreach and support provided by project sponsor or partner organizations to the target population. In addition, provide information on any evaluations of the project's accomplishments conducted during the operating year. This narrative will be used for public information, including posting on HUD's web page.

A. Outputs Reported. Describe program accomplishments including the number of housing units supported and the number households assisted with HOPWA funds during this operating year. Include a comparison between proposed (as approved in the grant agreement) and actual accomplishments, as demonstrated in Part 3: Overview of Grant Activities. In the narrative, describe how housing assistance is coordinated to serve clients. If your organization has a waiting list, please explain how it is administered.

B. Outcomes Assessed. Assess your program's success in enabling HOPWA beneficiaries to establish and/or better maintain a stable living environment in housing that is safe, decent, and sanitary, and improve access to care. Compare current year results to baseline results for clients. Describe how program activities/projects contributed to meeting stated goals. If current year results are lower than the national program targets (80 percent of HOPWA clients will maintain housing stability, avoid homelessness and access care each year), please explain. Please describe how your program plans to address challenges in program implementation and the steps currently being taken to achieve goals in next operating year.

C. Barriers and Recommendations. Describe any barriers (including regulatory and non-regulatory) encountered, how they affected your program's ability to achieve the objectives and outcomes discussed, and actions taken in response to barriers, as well as recommendations for program improvement. You may select more than one from the following list. Specify a barrier for each explanation or description.

Report the total number of households that received STRMU assistance in Column 1. In Column 2, identify the result of the housing assessment made at time of assistance, or updated in the operating year. (Column 3 provides a description of housing outcomes; therefore, data is not required.) In Row 1b, enter the total number of households that received STRMU Assistance in the 2 prior operating years that received STRMU assistance this year. *Note: The sum of Column 2 should equal the number of households reported in Column 1.*

Background on HOPWA Housing Stability Codes

Stable Permanent Housing/Ongoing Participation

3 = Private Housing in the private rental or home ownership market (without known subsidy, including permanent placement with families or other self sufficient arrangements) with reasonable expectation that additional support is not needed.

4 = Other HOPWA-funded housing assistance (not STRMU), e.g. TBRA or Facility-Based Assistance.

5 = Other subsidized house or apartment (non-HOPWA sources, e.g., Section 8, HOME, Public Housing).

6 = Institutional setting with greater support and continued residence expected (e.g., residential or long-term care facility).

Temporary Housing

2 = Temporary housing: moved in with family/friends or other short-term arrangement, such as Ryan White subsidy, transitional housing for homeless, or temporary placement in institution (e.g., hospital, psychiatric hospital or other psychiatric facility, substance abuse treatment facility or detox center).

Unstable Arrangements

1 = Emergency shelter or no housing destination such as places not meant for habitation (e.g., a vehicle, an abandoned building, bus/train/subway station, or anywhere outside).

7 = Jail /Prison.

8 = Disconnected or disappeared from project support, unknown destination or no assessments of housing needs were undertaken.

Life Event

9 = Death, i.e., remained in housing until death. This characteristic is not factored into the housing stability equation.

Tenant-based Rental Assistance: Stable Housing is the sum of the number of households that (i) remain in the housing and (ii) those that left the assistance as reported under: 3, 4, 5, and 6. Temporary Housing is the number of households that accessed assistance, and left their current housing for a non-permanent housing arrangement, as reported under item 2. Unstable Situations is the sum of numbers reported under items: 1, 7, and 8.

Permanent Facility-Based Housing Assistance: Stable Housing is the sum of the number of households that (i) remain in the housing and (ii) those that left the assistance as shown as items: 3, 4, 5, and 6. Temporary Housing is the number of households that accessed assistance, and left their current housing for a non-permanent housing arrangement, as reported under item 2. Unstable Situations is the sum of numbers reported under items: 1, 7, and 8.

Transitional/Short-Term Facility-Based Housing Assistance: Stable Housing is the sum of the number of households that (i) continue in the residences (ii) those that left the assistance as shown as items: 3, 4, 5, and 6. Other Temporary Housing is the number of households that accessed assistance, and left their current housing for a non-permanent housing arrangement, as reported under item 2. Unstable Situations is the sum of numbers reported under items: 1, 7, and 8.

Tenure Assessment. A baseline of households in transitional/short-term facilities for assessment purposes, indicate the number of households whose tenure exceeded 24 months.

STRMU Assistance: Stable Housing is the sum of the number of households that accessed assistance for some portion of the permitted 21-week period and there is reasonable expectation that additional support is not needed in order to maintain permanent housing living situation (as this is a time-limited form of housing support) as reported under housing status: Maintain Private Housing with subsidy; Other Private with Subsidy; Other HOPWA support; Other Housing Subsidy; and Institution. Temporarily Stable, with Reduced Risk of Homelessness is the sum of the number of households that accessed assistance for some portion of the permitted 21-week period or left their current housing arrangement for a transitional facility or other temporary/non-permanent housing arrangement and there is reasonable expectation additional support will be needed to maintain housing arrangements in the next year, as reported under housing status: Likely to maintain current housing arrangements, with additional STRMU assistance; Transitional Facilities/Short-term; and Temporary/Non-Permanent Housing arrangements. Unstable Situation is the sum of number of households reported under housing status: Emergency Shelter; Jail/Prison; and Disconnected.
