Waiver of Compensation/Student Certification Dropping In a Microgravity Environment (DIME)

(Completion of form is required for processing of application.)

I understand that as a participant in the NASA Glenn DIME Program, I will not be considered an employee of NASA Glenn Research Center. The purpose of my visit will be to observe government research and development activities and use the Center facilities to conduct educational research projects.

I waive and forever release the United States—for self, executor, administrator, heirs and assigns—from any claim for wages, salary, or compensation of any kind that may be connected with tasks or services that may be performed by me during my Center visit. I understand and acknowledge that participation in the program does not entitle me to unemployment compensation.

I certify, by my signature below, that I am a citizen of the United States of America and that all information contained in this application is accurate and correct. I further understand and agree that any misrepresentation or inaccurate information reported on my application will be cause for disqualification for consideration and from participation in the DIME Program and other NASA programs.

If selected to participate, I understand I must participate for the entire time allocated and failure to do so or abide by the program safety and security policies and procedures could result in termination and could be just cause for disqualification or consideration from future program participation in the DIME Program and other NASA programs.

Print your full name below and sign and date for acceptance—the signature of a parent or guardian is only required if student is under 18 years of age.
