SECTION K: RELEASE OF RECORDS

K1. We would like your permission to let [Name Department] give us your records on how you used your Summer EBT card. We are asking them for the period June through September of this year. We also would like to have the [Name Department] tell us whether you have participated in the SNAP or WIC program in the past year.

[For sites with passive consent] Finally, we would also like your permission to have the [name of school district] provide us with information from your child/children's National School Lunch application as well as some administrative information from your child's school records. This data will include items such as age, grade level and other administrative information. It will not include academic or disciplinary information.

Your records will only be used for this study. They will be kept confidential to the extent provided by law. Any datasets resulting from this study will not identify you or your child. Releasing your records is completely voluntary, and you may refuse. Your decision won't change any benefits you may get from any agency. Would you be willing to release these records?

YES.....	1	GO TO K2
NO.....	2	GO TO END

K2 There is minimal risk to participating in this study. The main risk is a breach of confidentiality, but procedures are in place to protect your information. Finally, if you have any questions about this study or your rights as a participant, I can give you a telephone number to call. This completes the survey!
