

DRAFT ADVANCE NOTIFICATION TO GRANTEES

Dear Healthy Start Grantee,

As you may know, Abt Associates Inc. has implemented a web-survey called the **Healthy Start Grantee Web-Based Survey**. This survey is one of the data collection efforts for the National Healthy Start Evaluation. We would like ALL grantees to complete this online survey in order to ensure a complete assessment of the National Healthy Start Program.

Please be aware that within the next two weeks you will receive an e-mail from us asking you for your participation. The e-mail will include a link to the survey along with your logon and password instructions. Please note that this email will come from *ADMINEMAIL*. In order to avoid automatic filtering of your spam agent, we kindly ask you to add *ADMINEMAIL* to your safe-sender list so that you are sure to receive the information.

We thank you in advance for your participation. Your information is important and will contribute to the value of this survey and the national evaluation.

Best Regards,
