Dear XXXXXXXXX:

Our records indicate that you obtained a Sandhill Crane Hunting Permit this past hunting season. We are now asking you to provide information that we need for sound management of sandhill cranes, by telling us about your crane hunting activity. Your response is important **EVEN IF YOU DID NOT HUNT OR DID NOT SHOOT ANY CRANES.**

We are asking you to tell us about your sandhill crane hunting in **New Mexico** during the **XXXX-XXXX** hunting season. Please use the attached diary to record the details of each of your sandhill crane hunts in **New Mexico**. Please read the instructions on the diary form and fill it out **completely**. Please send the completed form back to us in the enclosed postage-paid envelope. If you receive this survey too late for you to remember all of the details of your hunts, please fill out the lower portion of the form labeled "**SEASON TOTALS**".

Your response is very important, whether you bagged any cranes or not. If you didn't hunt sandhill crane at all this season, please mark the "Did not hunt" box at the upper right portion of the form and return it to us. If you did hunt sandhill crane, please report **ONLY YOUR OWN PERSONAL HUNTING** activity and harvest. We also ask that you report the number of cranes that you knocked down, but could not retrieve. Record this total number on the lower portion of the form labeled "**SEASON TOTALS**".

To protect your privacy, we will not associate your name with your hunting records after the survey is completed. If you have any questions or need more information about this survey, please write us at the above address, call us toll-free at 1.800.419.2965 from 7:30am-4:00pm EST, or log-on to <http://www.fws.gov/hip/>. Thank you in advance for your time and your participation in this year's National Migratory Bird Harvest Survey.

Sincerely,

Robert J. Blohm, Chief
Division of Migratory Bird Management

All names and identifying information will be removed when we compile the results, and only summary information will be reported. The information is maintained in accordance with the Privacy Act. Your response is voluntary. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number.
