U.S. Citizenship and Immigration Services

Agency Information Collection Activities: New Information
Collection; Comment Request

ACTION: 60-day notice of information collection under review: E-Verify
Self Check Program (Internal File Number OMB-59).

The Department Homeland Security, U.S. Citizenship and Immigration
Services (USCIS) will be submitting the following information
collection request for review and clearance in accordance with the
Paperwork Reduction Act of 1995. The information collection is
published to obtain comments from the public and affected agencies.
Comments are encouraged and will be accepted for sixty days until
November 30, 2010.

Written comments and/or suggestions regarding the item(s) contained
in this notice, especially regarding the estimated public burden and
associated response time, should be directed to the Department of
Homeland Security (DHS), USCIS, Chief, Regulatory Products Division,
Clearance Officer, 20 Massachusetts Avenue, NW., Washington, DC 20529-
2020. Comments may also be submitted to DHS via facsimile to 202-272-
8352 or via e-mail at rfs.regs@dhs.gov. When submitting comments by e-
mail, please make sure to add Control No. OMB-59 in the subject box.
Written comments and suggestions from the public and affected agencies
concerning the collection of information should address one or more of
the following four points:

- (1) Evaluate whether the proposed collection of information is
necessary for the proper performance of the functions of the agency,
including whether the information will have practical utility;
- (2) Evaluate the accuracy of the agencies estimate of the burden of the
the

proposed collection of information, including the validity of the
methodology and assumptions used;

- (3) Enhance the quality, utility, and clarity of the information to
be collected; and

- (4) Minimize the burden of the collection of information on those
who are to respond, including through the use of appropriate automated,
electronic, mechanical, or other technological collection techniques or
other forms of information technology, e.g., permitting electronic
submission of responses.
