

Narrative of Revisions

The purpose of the Narrative of Revisions is to clearly indicate revisions to a collection since the previous approval

Collection Title: Oil and Hazardous Materials Transfer Procedures

OMB Control No.: 1625-0030

Current Expiration Date: 01/31/2011

Collection Instruments: Instructions

The following listed below are revisions to the collection:

- Increase in burden (respondents/responses/burden hours) are due to 2 factors—
 - An increase in the number of respondents from 265 to 328, which results in an increase in responses and burden.
 - A change in the Coast Guard's data collection method which enabled us to more accurately capture additional subpopulations not previously accounted for during data queries.
- USCG has created printable instructions for this collection of information.
- Updates are provided for cost burden and government cost associated with this collection of information.
