

Supporting Statement for Paperwork Reduction Act Submissions 2501-0025

A. Justification:

1. Why is this information necessary?

On December 16, 2009, the President signed the Consolidated Appropriations Act, 2010 (Public Law 111-117) that provided \$40 million for HUD's Community Challenge Planning Grants. HUD's \$40 million Community Challenge Planning Grant Program will foster reform and reduce barriers to achieving affordable, economically vital, and sustainable communities. Such efforts may include amending or replacing local master plans, zoning codes, and building codes, either on a jurisdiction wide basis or in a specific neighborhood, district, corridor, or sector to promote mixed-use development, affordable housing, the reuse of older buildings and structures for new purposes, and similar activities with the goal of promoting sustainability at the local or neighborhood level. HUD's Community Challenge Planning Grant Program also supports the development of affordable housing through the development and adoption of inclusionary zoning ordinances and other activities such as acquisition of land for affordable housing projects.
