### Schedule D Instructions

#### Amateur Station Call Sign Change and Vanity Call Sign Request Information

Item 1 If this is a request to change your call sign to the next systematically assigned call sign you are eligible for, enter 'Y'. This will result in your call sign being selected by the FCC from an alphabetized list corresponding to the geographic region of your mailing address and operator class. If this is to request a Vanity call sign, enter 'N'. If this is a Modification or Renew/Modification application with NO change in call sign requested, enter 'N' and skip Item 2.

Item 2 If this is a request to apply for a vanity call sign, **you must** place an 'X' in the appropriate box and provide the additional information requested. **(Only one block may be checked)**

If you checked box A or B, you must complete the Preference List: Give the exact prefix, numeral and suffix of each call sign that you wish to include in your preference list for vanity call sign assignment. NOTE: If none of the call signs that you request are assignable, you will retain your existing call sign.

If you checked box C or D, be advised that an 'in-law' is defined as: parent, stepparent, sibling, or step-sibling of a licensee's spouse; and the spouse of a licensee's sibling, step-sibling, child or stepchild; or the spouse of a licensee's spouse's sibling or step-sibling

Note: Only check box C, D, E or F if less than 2 years has passed since the expiration or cancellation of the prior license for that call sign. Otherwise, check box A or B.
