SMALL BUSINESS INVESTMENT ACT OF 1958

(Public Law 85-699, as amended)

Sec. 101. SHORT TITLE

This Act may be cited as the "Small Business Investment Act of 1958".

Sec. 102. STATEMENT OF POLICY

It is declared to be the policy of the Congress and the purpose of this Act to improve and stimulate the national economy in general and the small-business segment thereof in particular by establishing a program to stimulate and supplement the flow of private equity capital and long-term loan funds which small-business concerns need for the sound financing of their business operations and for their growth, expansion, and modernization, and which are not available in adequate supply: Provided, however, That this policy shall be carried out in such manner as to insure the maximum participation of private financing sources.

It is the intention of the Congress that the provisions of this Act shall be so administered that any financial assistance provided hereunder shall not result in a substantial increase of unemployment in any area of the country.

It is the intention of the Congress that in the award of financial assistance under this Act, when practicable, priority be accorded to small business concerns which lease or purchase equipment and supplies which are produced in the United States and that small business concerns receiving such assistance be encouraged to continue to lease or purchase such equipment and supplies.

Sec. 103. DEFINITIONS.

As used in this Act --

- (1) the term "Administration" means the Small Business Administration;
- (2) the term "Administrator" means the Administrator of the Small Business Administration;
- (3) the terms "small business investment company", "company", and "licensee" mean a company approved by the Administration to operate under the provisions of this Act and issued a license as provided in section 301;
- (4) the term "State" includes the several States, the Territories and possessions of the United States, the Commonwealth of Puerto Rico, and the District of Columbia;

desist order should not be issued. Any such order to show cause shall contain a statement of the matters of fact and law asserted by the Administration and the legal authority and jurisdiction under which a hearing is to be held, and shall set forth that a hearing will be held before the Administration at a time and place stated in the order. If after hearing, or a waiver thereof, the Administration determines on the record that an order revoking or suspending the license or a cease and desist order should issue, it shall promptly issue such order, which shall include a statement of the findings of the Administration and the grounds and reasons therefor and specify the effective date of the order, and shall cause the order to be served on the licensee and any other person involved.

(d) The Administration may require by subpoena [sic] the attendance and testimony of witnesses and the production of all books, papers, and documents relating to the hearing from any place in the United States. Witnesses summoned before the Administration shall be paid by the party at whose instance they were called the same fees and mileage that are paid witnesses in the courts of the United States. In case of disobedience to a subpoena [sic], the Administration, or any party to a proceeding before the Administration, may invoke the aid of any court of the United States in requiring the attendance and testimony of witnesses and the production of books, papers, and documents.

(e) An order issued by the Administration under this section shall be final and conclusive unless within thirty days after the service thereof the licensee, or other person against whom an order is issued, appeals to the United States court of appeals for the circuit in which such licensee has its principal place of business by filing with the clerk of such court a petition praying that the Administration's order be set aside or modified in the manner stated in the petition. After the expiration of such thirty days, a petition may be filed only by leave of court on a showing of reasonable grounds for failure to file the petition theretofore. The clerk of the court shall immediately cause a copy of the petition to be delivered to the Administration, and the Administration shall thereupon certify and file in the court a transcript of the record upon which the order complained of was entered. If before such record is filed the Administration amends or sets aside its order, in whole or in part, the petitioner may amend the petition within such time as the court may determine, on notice to the Administration. The filing of a petition for review shall not of itself stay or suspend the operation of the order of the Administration, but the court of appeals in its discretion may restrain or suspend, in whole or in part, the operation of the order pending the final hearing and determination of the petition. The court may affirm, modify, or set aside the order of the Administration. If the court determines that the just and proper disposition of the case requires the taking of additional evidence, the court shall order the Administration to reopen the hearing for the taking of such evidence, in such manner and upon such terms and conditions as the court may deem proper. The Administration may modify its findings as to the facts, or make new findings, by reason of the additional evidence so taken, and it shall file its modified or new findings and the amendments, if any, of its order, with the record of such additional evidence. No objection to an order of the Administration shall be considered by the court unless such objection was urged before the Administration or, if it was not so urged, unless there were reasonable grounds for failure to do so. The judgment and decree of the court affirming, modifying, or setting aside any such order of the Administration shall be subject only to review by the Supreme Court of the United States upon certification or certiorari as provided in section 1254 of title 28, United States Code.

(f) If any licensee or other person against which or against whom an order is issued under this section fails to obey the order, the Administration may apply to the United States court of appeals, within the circuit where the licensee has its principal place of business, for the enforcement of the order and shall file a transcript of the record upon which the order complained of was entered. Upon the filing of the application the court shall cause notice thereof to be served on the licensee or other person. The evidence to be considered, the procedure to be followed, and the jurisdiction of the court shall be the same as is provided in subsection (e) for applications to set aside or modify orders.

Sec. 310.

EXAMINATIONS AND INVESTIGATIONS

(a) The Administration may make such investigations as it deems necessary to determine

whether a licensee or any other person has engaged or is about to engage in any acts or practices which constitute or will constitute a violation of any provision of this Act, or of any rule or regulation under this Act, or of any order issued under this Act. The Administration shall permit any person to file with it a statement in writing, under oath or otherwise as the Administration shall determine, as to all the facts and circumstances concerning the matter to be investigated. For the purpose of any investigation, the Administration is empowered to administer oaths and affirmations, subpoena [sic] witnesses, compel their attendance, take evidence, and require the production of any books, papers, and documents which are relevant to the inquiry. Such attendance of witnesses and the production of any such records may be required from any place in the United States. In case of contumacy by, or refusal to obey a subpoena [sic] issued to, any person, including a licensee, the Administration may invoke the aid of any court of the United States within the jurisdiction of which such investigation or proceeding is carried on, or where such person resides or carries on business, in requiring the attendance and testimony of witnesses and the production of books, papers, and documents; and such court may issue an order requiring such person to appear before the Administration, there to produce records, if so ordered, or to give testimony touching the matter under investigation. Any failure to obey such order of the court may be punished by such court as a contempt thereof. All process in any such case may be served in the judicial district whereof such person is an inhabitant or wherever he may be found.

(b) Each small business investment company shall be subject to examinations made by direction of the Investment Division of the Administration, which may be conducted with the assistance of a private sector entity that has both the qualifications to conduct and expertise in conducting such examinations, and the cost of such examinations, including the compensation of the examiners, may in the discretion of the Administration be assessed against the company examined and when so assessed shall be paid by such company. Fees collected under this subsection shall be deposited in the account for salaries and expenses of the Administration, and are authorized to be appropriated solely to cover the costs of examinations and other program oversight activities. Every such company shall make such reports to the Administration at such times and in such form as the Administration may require; except that the Administration is authorized to exempt from making such reports any such company which is registered under the Investment Company Act of 1940 to the extent necessary to avoid duplication in reporting requirements.

(c) Each small business investment company shall be examined at least every two years in such detail so as to determine whether or not--

- (1) it has engaged solely in lawful activities and those contemplated by this title;
- (2) it has engaged in prohibited conflicts of interest;
- (3) it has acquired or exercised illegal control of an assisted small business;
- (4) it has made investments in small businesses for not less than 1 year;
- (5) it has invested more than 20 per centum of its capital in any individual small business, if such restriction is applicable;
- (6) it has engaged in relending, foreign investments, or passive investments; or
- (7) it has charged an interest rate in excess of the maximum permitted by law:

Provided, That the Administration may waive the examination (A) for up to one additional year if, in its discretion, it determines such a delay would be appropriate, based upon the amount of debentures being issued by the company and its repayment record, the prior operating experience of the company, the contents and results of the last examination and the management expertise of the company, or (B) if it is a

company whose operations have been suspended while the company is involved in litigation or is in receivership.

(d) VALUATIONS.—

(1) FREQUENCY OF VALUATIONS.—

(A) IN GENERAL.—Each licensee shall submit to the Administrator a written valuation of the loans and investments of the licensee not less often than semiannually or otherwise upon the request of the Administrator, except that any licensee with no leverage outstanding shall submit such valuations annually, unless the Administrator determines otherwise.

(B) MATERIAL ADVERSE CHANGES.—Not later than 30 days after the end of a fiscal quarter of a licensee during which a material adverse change in the aggregate valuation of the loans and investments or operations of the licensee occurs, the licensee shall notify the Administrator in writing of the nature and extent of that change.

(C) INDEPENDENT CERTIFICATION.—

(i) IN GENERAL.—Not less than once during each fiscal year, each licensee shall submit to the Administrator the financial statements of the licensee, audited by an independent certified public accountant approved by the Administrator.

(ii) AUDIT REQUIREMENTS.—Each audit conducted under clause (i) shall include—

(I) a review of the procedures and documentation used by the licensee in preparing the valuations required by this section; and

(II) a statement by the independent certified public accountant that such valuations were prepared in conformity with the valuation criteria applicable to the licensee established in accordance with paragraph (2).

(2) VALUATION CRITERIA.—Each valuation submitted under this subsection shall be prepared by the licensee in accordance with valuation criteria, which shall—

(A) be established or approved by the Administrator; and

(B) include appropriate safeguards to ensure that the noncash assets of a licensee are not overvalued.

Sec. 311. INJUNCTIONS AND OTHER ORDERS

(a) Whenever, in the judgment of the Administration, a licensee or any other person has engaged or is about to engage in any acts or practices which constitute or will constitute a violation of any provision of this Act, or of any rule or regulation under this Act, or of any order issued under this Act, the Administration may make application to the proper district court of the United States or a United States court of any place subject to the jurisdiction of the United States for an order enjoining such acts or practices, or for an order enforcing compliance with such provision, rule, regulation, or order, and such courts shall have jurisdiction of such actions and, upon a showing by the Administration that such licensee or other person has engaged or is about to engage in any such acts or practices, a permanent or temporary injunction, restraining order, or other order, shall be granted without bond.

(2) The information submitted to you must be certified by the president, chief executive officer, treasurer, chief financial officer, general partner, or proprietor of the Portfolio Concern.

(3) For financial and valuation purposes, you may accept a complete copy of the Federal income tax return filed by the Portfolio Concern (or its proprietor) in lieu of financial statements, but only if appropriate for the size and type of the business involved.

(4) The requirements in this paragraph (b) do not apply when you acquire securities from an underwriter in a public offering (see § 107.825). In that case, you must keep copies of all reports furnished by the Portfolio Concern to the holders of its securities.

(c) *Information required for examination purposes.* You must obtain any information requested by SBA's examiners for the purpose of verifying the certifications made by a Portfolio Concern under § 107.610. In this regard, your Financing documents must contain provisions requiring the Portfolio Concern to give you and/or SBA's examiners access to its books and records for such purpose.

(b) *Automatic cancellation of commitment.* Unless you pay the fee required under paragraph (a) of this section by 5:00 P.M. Eastern Time on the 30th calendar day following the issuance of SBA's Leverage commitment, the commitment will be automatically canceled.

TITLE 13--BUSINESS CREDIT AND ASSISTANCE

CHAPTER I--SMALL BUSINESS ADMINISTRATION

PART 107 SMALL BUSINESS INVESTMENT COMPANIES--Table of Contents

Subpart E Managing the Operations of a Licensee

Sec. 107.590 Licensee's requirement to maintain active operations.

(a) Activity test. You must conduct active operations, as determined under this Sec. 107.590, as a condition of your license. You will be considered active if:

(1) During the eighteen months preceding your most recent fiscal year end, you made Financings totaling at least 20 percent of your Regulatory Capital; or

[[Page 61]]

(2) Your idle funds did not exceed 20 percent of your total assets (at cost) at your most recent fiscal year end.

(b) Permitted exceptions to activity requirements. You are considered active if your failure to meet the requirements in paragraph (a) of this section is the result of one or more of the following factors:

(1) Your excess idle funds are the result of the receipt, within the previous nine months, of realized gains, repayments, additional capital contributions, or Leverage.

(2) It is necessary for you to maintain excess idle funds to conduct your operations because:

(i) Your unfunded commitments from investors are no more than 20 percent of your Regulatory Capital; and

(ii) You cannot receive additional Leverage, solely because SBA has insufficient funds available.

(3) You have not made sufficient Financings because of a lack of available funds, evidenced by Loans and Investments (at cost) equal to at least 90 percent of your Combined Capital as of your most recent fiscal year end.

(4) You have not made sufficient Financings solely because SBA has restricted your ability to make investments.

(c) Applicability of activity requirements. The activity requirements in paragraph (a) of this section do not apply if you have filed a "Wind-up Plan" approved by SBA. "Wind-up Plan" means a plan that you prepare when you decide that you will no longer make any Financings other than follow-on investments, and that you update annually when you file your SBA Form 468. The plan must contain your best estimates of the following:

(1) The remaining number of years you expect to operate.

(2) For each of your Loans and Investments, the expected liquidation date and anticipated proceeds.

(3) The timing of your repayment of obligations to SBA.

(4) The timing and amount of any planned reductions in your Management Expenses.

(d) Phase-in of activity requirements--(1) General rule. You must meet the activity requirements in this Sec. 107.590 as of the end of

your first full fiscal year beginning after January 31, 1996. Until then, you will be considered active if you meet the activity requirements in effect on January 30, 1996.

(2) Rule for new Licensees. If you received your license after January 31, 1996, or if you received your license less than eighteen months before the fiscal year end determined under paragraph (d)(1) of this section, you must meet the activity requirements in this Sec. 107.590 as of the end of your second full fiscal year beginning after the date you received your license.
