INSTRUCTIONS

CURRENT PERIOD (first 5 columns)

Exports by County – Report total shipments to each foreign country, by type of product, during the month. Add the amounts reported in each product type (first 4 columns) and report the total for each country under “Total Current Period” (5th column). If you have more “Other” countries than will fit on page 1, report the overflow on page 2, and then bring the page 2 total forward to the page 1 subtotal line. Add the columns and report the totals for each column on the last line under “Total.”

For destination unknown – On a separate page, list each invoice and identify broker-exporter for shipments to destinations unknown to you. Send one copy to the Almond Board of California (ABC), and one copy to the exporter with instructions to enter the country of destination for each shipment. Also send a completed report to the ABC.
