PTO Form 1553 (Rev 5/2006)
 OMB No. 0651-0055 (Exp 10/31/2008)

Declaration of Use of Mark in Commerce Under Section 8 (15 U.S.C. § 1058)

TEAS - Version 3.8 : 07/14/2007

You must file a Section 8 declaration, specimen, and fee on a date that falls on or between the fifth (5th) and sixth (6th) anniversaries of the registration (or, for an extra fee of \$100.00 per class, you may file within the six-month grace period following the sixth (6th) anniversary date). You must subsequently file a Section 8 declaration, specimen, and fee on a date that falls on or between the ninth (9th) and tenth (10th) anniversaries of the registration, and each successive ten-year period thereafter (or, for an extra fee of \$100.00 per class, you may file within the six-month grace period). **FAILURE TO FILE A SECTION 8 DECLARATION WILL RESULT IN CANCELLATION OF THE REGISTRATION.** **Note:** Because the time for filing a ten-year Section 8 declaration coincides with the time for filing a Section 9 renewal request, a combined §§ 8 & 9 form exists.

NOTE: You must complete any field preceded by the symbol "*".

NOTE: This form has a session time limit of 60 minutes. If there is no activity within 60 minutes, the form will expire and you must begin again. A session begins once you click the Continue button, below. "Activity" means performing an actual function within the form (e.g., entering data or clicking on a data field), not merely moving "back" or "forward" from within your browser.

Each time a function is performed, a new 60-minute period begins. Therefore, this session time limit should only be a problem if you start the form and then totally stop work for more than 60 minutes, but will not be an issue if you happen to take longer than 60 minutes of steady work to complete the form.

* Enter a Registration Number:

(required only if completing the form for the first time)

OR

Access previously-saved data using the "Browse/Choose File" button below to access the file from your local drive. **NOTE: For specific instructions, please click [here](#). FAILURE TO FOLLOW THESE INSTRUCTIONS WILL RESULT IN THE DISPLAY OF YOUR DATA IN AN XML FORMAT THAT CANNOT BE EDITED.**

WARNING: You are filing *only* a Section 8 affidavit of use or excusable nonuse. If a Section 9 renewal application is also due, it is not included here. If necessary, please see the Combined declaration of use in commerce/application for renewal of registration of mark under Sections 8 & 9. **If a Section 9 renewal application is due and is not timely filed, your registration will be cancelled.** Please make sure you file **all** the required forms, and that the owner name identified on the form(s) is correct.

1. Is there one registrant but more than one signatory, or joint or multiple registrants?

Yes No

If the answer is Yes, enter the number of signatories

2. Do you want to appoint a Domestic Representative?

Yes No

3. Is an attorney filing this form?

NOTE [UPDATED 03/03/2007]: The USPTO considers powers of attorney to end upon either (1) the date of registration; or (2) the final acceptance or denial of a required post-registration filing. Therefore, if you answer YES to this question and file this form, the USPTO will presume that you are now the registrant's attorney. This filing will now automatically update the "Attorney of Record" and the "Correspondence Address" data fields in the USPTO's TARR database. After submission of this form, it is no longer necessary to file a separate Appointment of Attorney form or Change of Correspondence Address form.

Once the USPTO recognizes an attorney with respect to the submission of a required post-registration filing, such as an affidavit under Section 8, an application for renewal under Section 9, *etc.*, the USPTO will recognize **only** that attorney for all submissions related to that filing, such as responses to Office actions, petitions, *etc.*, *unless* and *until* the registrant revokes and appoints a new power of attorney.

Electronic Signature

The form will not be "signed" in the sense of a traditional paper document. To verify the contents of the above, the signatory must enter any alpha/numeric character(s) or combination thereof of **his or her choosing**, preceded and followed by the forward slash (/) symbol. The USPTO does **not** determine or pre-approve what the entry should be, but simply presumes that this specific entry has been adopted to serve the function of the signature. Most signatories simply enter their names between the two forward slashes, although acceptable "signatures" could include /john doe/; /jd/; or /123-4567/.

DECLARATION

Unless the owner has specifically claimed excusable non-use, the owner, or its related company, is using the mark in commerce on or in connection with the goods and/or services identified above, as evidenced by the attached specimen(s) showing the mark as used in commerce.

The "Validate Form" function allows you to run an automated check to ensure that all mandatory fields have been completed. You will receive an "error" message if you have not filled in one of the five (5) fields that are considered "minimum filing requirements" under the Trademark Law Treaty Implementation Act of 1998. For other fields that the USPTO believes are important, but not mandatory, you will receive a "warning" message if the field is left blank. This warning is a courtesy, if non-completion was merely an oversight. If you so choose, you may by-pass that "warning" message and validate the form (however, you cannot by-pass an "error" message).

Note: To either print the completed application, in whole or in part, download and save the validated application, or electronically submit the application to the USPTO, click on the Validate Form button.

The information collected on this form allows the applicant to demonstrate that it has commenced use of the mark in commerce.
