

## Attachment 3: Screening Instrument

Online Skills Training for PCPs on Substance Abuse (NIDA)

January 2011

## SCREENING INSTRUMENT

**OMB # 0925-XXX**

Expiration Date xx/xxxx

### BURDEN STATEMENT

Public reporting burden for this collection of information is estimated to average 2 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-xxxx\*). Do not return the completed form to this address.

## Screening Survey for Physicians

Clinical Tools developed a new web-based educational and clinical skills training experience funded by the National Institute on Drug Abuse (NIDA). The website is for primary care physicians on assessing and treating patients for substance use disorders. If you qualify to participate, we will invite you to take the training program and complete several assessments afterwards.

Please complete the form below so that we can determine your eligibility for the study. If you meet study eligibility, we will contact you via email with further information on the study.

### Eligibility

1. I am a primary care physician currently in practice.

Yes

No

*(If they answer “No”, they are not eligible and will receive a message explaining why they are not eligible, see below)*

1a. What is your specialty within primary care?

Family practice

Internal medicine

OB/GYN

Pediatrics

Emergency medicine

Other (please explain)

2. I am a US resident.

Yes

No

*(If they answer “No”, they are not eligible and will receive a message explaining why they are not eligible, see below)*

3. Have you participated in another Clinical Tools study within the past 6 months?

Yes

No

*(If they answer “Yes”, they are not eligible and will receive a message explaining why they are not eligible, see below)*

\*The SBIRT project is funded by NIDA contract #HHSN271200800038C. This project has been reviewed and approved as exempt by the Clinical Tools, Inc. Institutional Review Board.\*

**Study Sign-up for Eligible Participants**

Congratulations! You are eligible for the study. Please enter your name and email address to sign up and we will contact you with more information.
