EDO0587

		Did you find what you were looking for today?
--	--	--

CMB086

	No	If you did not find what you were looking for today, Please specify what were you looking for today:
--	-----------	--

HHS

CWS02127

		What is your primary reason for visiting this site today?
--	--	---

CWS02129		Which best describes you?
CWS02135		How did you learn about this website?

	Question Text
	Planned enhancements to Regulations.gov include: subscribe to RSS feeds based on a specific topic (or subject), filter topics to focus on documents open for comment, and filter topics to focus on documents posted by a specific federal
	<p>Regulations.gov has recently included on their homepage summary statistics and a graphic of site content for 2009. This is the first of many forthcoming dashboard and graphic tools intended to make information from Regulations.gov more accessible and useful. How useful do you feel the following features would be:</p> <p><u>Additional types of summary data</u></p> <p>Dynamically generate summary data and display in real-time</p> <p>Highlight effective dates and impacted industries</p> <p>Display geographic areas identified or affected by regulatory actions</p>
	What other types of summary data would you find useful?
	If the following features were added to the site, how useful would they be to you? Ability to find information and stay informed about initiatives and projects affecting specific industries (e.g. highway projects and food safety)
	Ability to search for initiatives and projects within a specific proximity (e.g. proposed rule affecting a location or area within 10 miles of Washington,
	Ability to engage with other
