The FBI's acquisition, preservation, and exchange of identification information is generally authorized under 28 USC 534. This R-84 is to be used for criminal justice purposes, such as incident to arrests and incarcerations. The needs and uses for this information is covered in the Fingerprint Identification Records System (FIRS) System of Records Notice (SORN), published in the Federal Register on September 28, 1999. "A Social Security Account Number (SSAN) is helpful to keep records accurate because other people may have the same name and birth date. Pursuant to the Federal Privacy Act of 1974 (5 USC 552a), any Federal, State, or local government agency which requests an individual to disclose his/her SSAN is responsible for informing the person whether disclosure is mandatory or voluntary, by what statutory or other authority the SSAN is solicited, and what uses will be made of it."

Note: This vital report must be prepared on each subject whose arrest fingerprints have been forwarded to the FBI Criminal Justice Information Services Division without final disposition noted. If no final disposition is available from arresting agency, complete left side and forward the form when case is referred to prosecutor and/or courts. Agency on notice as to final disposition should complete this form and submit to: **FBI, CJIS Division, Clarksburg, WV 26306.** (See instructions on **reverse side**)

INSTRUCTIONS

1. The purpose of this report is to record the initial data of a subject's arrest and secure the final disposition of the arrest at the earliest possible time. (INTERIM DISPOSITION INFORMATION, e.g. RELEASED ON BOND, SHOULD NOT BE SUBMITTED). The SUBJECT'S NAME, CONTRIBUTOR AND ARREST NUMBER should be exactly the same as submitted at the time of arrest. The FBI number should be indicated, if known. The agency ultimately making final disposition must complete and submit form to their designated state or federal agency.
2. The arresting agency should fill in all arrest data on left side of form as the contributor of the fingerprints. The arresting agency ORI should be placed in the appropriate block. If the arrest is disposed of by the arresting agency, as where the arrestee is released without charge, the arresting agency must fill in this final disposition and mail form to their designated agency. Of course, if the final disposition is known when the arrest fingerprint card is submitted, it should be noted on the fingerprint card and this form is then unnecessary. In the event the case goes to the prosecutor, this form should be forwarded to the prosecutor with arrestee's case file.
3. The prosecutor should complete the form to show final disposition at the prosecution level if the matter is not being referred for court action and submit form directly to their designated agency. If court action is required, the prosecutor must forward form with case file to court having jurisdiction.
4. The court should complete this form as to final court disposition such as when arrested person is acquitted, case is dismissed, conviction/sentence imposed or suspended, or person placed on probation.
5. When arrested person is convicted or pleads guilty to a lesser or different offense than when originally arrested, this information should be clearly indicated.
6. If court disposition is associated with a misdemeanor crime of domestic violence, select the appropriate box demonstrating the relationship of the subject to the victim, and attach the police/incident report/court record to this form. If other is selected, please provide the description of the relationship to the victim in the space provided.
7. If subsequent action is taken to seal or expunge record, attach certified or authenticated copy of court order to this form.
8. If the disposition was destroyed, purged, or is no longer available, please check the "No Record" box and indicate agency.
9. If subsequent action is taken to seal or expunge record, attach certified or authenticated copy of court order to this form.
10. It is vitally important for completion of subject's record in the FBI Criminal Justice Information Services Division files that Final Disposition Reports be submitted in every instance where fingerprints were previously forwarded without final disposition noted.
11. Submission of flat capture fingerprint impressions is optional.
12. Asterisks indicate mandatory fields, but all known data should be provided.
