

## Certificate of Training

MSHA Form 5000-23, May 2011 (revised)

---

**Persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.**

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining data needed, and completing and reviewing the collection of information. This is a mandatory collection of information as required by 30 CFR Part 48.9 and 48.29. The information provides MSHA with a monitoring tool for determining compliance requirements. The Certificate of Training provides a means for operators to record and certify mandatory training received by miners. Send comments regarding the collection of information, including suggestions for reducing this burden to the Mine Safety and Health Administration, Department of Labor, Records Management Branch, 1100 Wilson Boulevard, Arlington, Virginia 22209-3939.
