TPPS Nationwide Usability Study

Tax Professionals Screener

Hello, I'm _____ from the Internal Revenue Service. We are conducting a research study on the Tax Professional PTIN System (TPPS). Would you be available on Tuesday or Wednesday to help us with this study? Have you heard about the TPPS site? What I would like to do is ask you a few questions to see if you would be able to participate in a 60 minute evaluation of the site. The IRS wants to hear from you and is very interested in your opinions. Would you be willing to answer a few questions to see if you qualify?

[REFERENCE THE OMB CONTROL NUMBER AND PRA STATEMENT AS NOTED BELOW BEFORE CONTINUING WITH THE INTERVIEW]

The Paperwork Reduction Act requires that the IRS display an OMB control number on all public information requests. The OMB Control Number for this study is #1545-1349. Also, if you have any comments regarding the time estimates associated with this study or suggestions on making this process simpler, please write to:

This is how our process works: As part of our research, we will be conducting evaluation sessions with a number of people similar to yourself. You would be attempting tasks on the web site and discussing your experiences with that web site. Let me stress again that these evaluations are for research purposes only - we just want your opinions.

We also want you to know that the IRS will NOT in any way use your personal information for anything other than the strict usage of it for this particular study. The IRS is just interested in finding out your opinions on the way they have designed their web site. Most importantly we want to ensure that the system ends up helping taxpayers.

Do you have any questions up to this point?

(Answer inquiries appropriately and thoroughly).

Again, let me thank you for your participation. This research is important to all of us, and your help and participation is highly appreciated. If something should change in your participation availability, please contact us using the information in the letter provided to you.

Thank you for volunteering for this study and we will see you at [TIME & DATE] room XXX.

Moderator Checklist for Usability Test Sessions

1. Introduce yourself and other team members who might interact with the participant (i.e., logger, observation facilitator.)
2. *Talking points to cover in verbal session overview:*
 - Discuss the purpose of usability testing / this usability test.
 - Remind participant to “think-aloud” – ask the participant to provide a running commentary about what he/she is doing at all times in the site, and that it may seem awkward but to try to talk as much as possible.
 - Remind the participant that he/she is helping us evaluate the site - we are not evaluating him/her
3. Explain to the participant that they will work through a specific, representative scenarios by entering the appropriate data into the TPPS screens to attempt to secure a PTIN (only mocked up test data will be used).
4. Ask the participant if he/she has any questions.
5. Have participant begin task.
6. Ask if he/she has any other comments about the TPPS application.
Thank volunteer for their participation.

Scenarios

To avoid any potential problems with participants' personal information, each participant will receive a fabricated persona containing information to sign up for the system and to register for their PTIN. All information for each persona will be provided on a separate data sheet. There are five basic user personas designed to demonstrate the full range of tax professionals expected to use the system. Approximately 8-10 individual cases were created for each persona.

Personas will be assigned to volunteers based on their background. For example, if the participant is a CPA who currently has a PTIN, they will receive the persona for the CPA with PTIN to use while testing the system.

Each separate test data sheet will contain the following statement:

The Paperwork Reduction Act requires that the IRS display an OMB control number on all public information requests. The OMB Control Number for this study is 1545-1349. **The time estimated for your participation is 1 hour.** If you have any comments regarding the time estimates associated with this study or suggestions on making this process simpler, please write to the, Internal Revenue Service, Tax Products Coordinating Committee, SE:W:CAR:MP:T:T:SP, 1111 Constitution Ave. NW, Washington, DC 20224.
