

## e-Allegations Submission

U.S. Customs and Border Protection has established an on-line procedure by which concerned individuals can report illegal import and export activity. By completing and submitting the form on the following page, you can help CBP prevent international trade violations.

If you have knowledge of a violation of United States trade law, please click the "Report Trade Violations" button after reading the Privacy Policy. You will be asked to fill out a short form explaining the infraction. Once you have submitted the form, a confirmation e-mail will be sent to the address you provided if you gave one.

You may also report trade violations by calling (202) 863-6550.

The Report Trade Violations button is to be used only to report illegal trade activity, such as quota circumvention or misclassification of imports, intellectual property rights infringement, and health and safety issues.
