

## **NPC Annual Report Template Instructions 2011**

The VA Nonprofit Program Office (NPPO) is responsible for collecting and compiling the Annual Reports to VA from all of the VA Affiliated Nonprofit Research and Education Corporations (NPCs). If you have questions or concerns regarding the Excel Workbook used to compile this Report or the submission instructions, please call or email Kimberly Collins, NPPO Administrator:

Phone: (202) 731-6973

Email: [kimberly.collins@va.gov](mailto:kimberly.collins@va.gov)

### **GENERAL INSTRUCTIONS**

1. This information is being collected primarily for the purpose of compiling the NPC Annual Report to Congress. Congress mandated a combined Annual Report so that it could get information about the entire NPC program on a consolidated basis nationwide. The combined NPC Annual Report to Congress is also used by top level VA managers to assess the program's progress, by the NPCs themselves to gauge their individual standing in relation to the entire group of NPCs, and by organizations and individuals outside the government that have an interest in the NPCs. Also, very importantly, the information submitted is used by the VA executives and the NPPO to carry out some of the VA Secretary's oversight duties and responsibilities.
2. The NPC Annual Reports are needed by VA to accomplish its duties and responsibilities to report to Congress, to provide needed information to senior VA executives, conduct some of the oversight for the NPCs, and to aid the NPCs in accomplishing their fundamental objective of providing support to VA research and education.
3. All NPCs must respond annually by submitting their NPC Annual Reports. Normally, the reports will be prepared by the NPC's Executive Director, Chief Executive Officer, Chief Financial Officer, Controller or other person with equivalent authority, ability and access to the required financial and other information.
4. NPPO estimates that it will take an average of five hours to prepare this Report. However, because of the huge size disparities in the NPCs and other factors peculiar to some of the NPCs, more or less time may be needed. If you would like to comment upon the estimated burden of preparing this Report, please contact Kimberly Collins, NPPO Administrator, at (202) 731-6973 or [kimberly.collins@va.gov](mailto:kimberly.collins@va.gov).
5. As noted above, this Annual Report is mandatory for all NPCs, regardless of size and whether they are active or not. Each NPC will be responsible for submitting this Annual Report as long as it is not properly, legally dissolved.
6. VA and NPPO do not and cannot assure confidentiality or privacy of any of the information submitted in this Report. The information in this Report is required for and will be included in VA's NPC Annual Report to Congress, which is required by statute and is a public document.
7. The Congress requires detailed listings of all NPC payees greater than \$50,000. This may require the listing of payments to employees. If the NPC regards this as "sensitive" information, then we suggest that employee numbers, not names, be used in the listing. NPPO does not regard any other information submitted in this Report to be of a sensitive nature.
8. Under the Paperwork Reduction Act, VA may not conduct or sponsor, and you are not required to respond to a collection of information unless it displays a valid Office of Management and Budget (OMB) number, or is being collected from fewer than ten persons (entities) in a twelve month period.
9. Both the preparation and filing of this Report are by electronic means.

  16. NPPO will send you an email acknowledging your submission and NPPO's acceptance of your NPC Annual Report as soon as it has made a preliminary review of the Report's completeness and accuracy.
