## Part A & MAI Allocations Report CHECKLIST

~ Enter Name of Grantee Here ~

Please check the following before submitting your report!	Part A Award	MAI Grant Request / Award	Total
<b>1</b> 75% of your combined awards must be spent on core medical services. When reporting Core Medical Services allocations, the percentages for the Part A Award (Row 1, Column 1) and the MAI Award (Row 1, Column 2) do not necessarily need to be 75% as long as the COMBINED Total (Row 1, Column 3) meets the required minimum 75%. If the percentage to the right is less than 75%, you must adjust your allocations so that at least 75% of your combined award amounts (Part A Award + MAI Award) are allocated for Core Medical Services. The exception to this requirement is only for those grantees that requested, and were approved by HRSA, for an FY 2009 Part A Core Medical Services Waiver.			0.0%
<b>2</b> You may not spend more than 5% or 3 million dollars (whichever is smaller) on clinical quality management. <small>If either of these percentages is more than 5% or the amounts is more than \$3,000,000 you must go back and adjust your report accordingly.</small>	-- \$0	-- \$0	
<b>3</b> You may not spend more than 10% on grantee administration. <small>If either of these percentages is more than 10%, you must adjust your report accordingly.</small>	0.0%	0.0%	
<b>4</b> You must allocate your entire award. <small>The total allocations in Section C (Row 5, Column 3) should equal the total amount of funds expected to be available as shown in Section B.</small>
