

Are **you**
a **teenager**
age **16–19**
living with
hemophilia
and would like
to earn \$50?

If so, the Centers for Disease Control and Prevention (CDC) and the National Hemophilia Foundation (NHF) would like you to participate in a telephone group conversation about your experiences living with a bleeding disorder. These group discussions are scheduled to take place in April and May. All you need is a phone and a computer.

To see if you qualify to participate in one of these dynamic group discussions and receive \$50, call 1-800-888-9999. Participants also have a chance to win an iPod Touch.

The first **10 callers**
who qualify will receive a
FREE iTunes
GIFT CARD.

NATIONAL HEMOPHILIA FOUNDATION
for all bleeding and clotting disorders

This event is made possible by CDC and NHF.

Are *you*
a parent of
a child age
5–12 or 16–19
who is living with
hemophilia
and would like
to earn \$50?

If so, the Centers for Disease Control and Prevention (CDC) and the National Hemophilia Foundation (NHF) would like you to participate in a telephone group conversation about your teen's experiences living with a bleeding disorder. These group discussions are scheduled to take place in April and May. All you will need is a phone and a computer.

To see if you qualify to participate in one of these dynamic group discussions and receive \$50, call 1-800-888-9999.
