

ATTACHMENT D: Survey Notification Email

Subject: Help OSTLTS and CDC improve “Did You Know?”

Body:

Good morning/afternoon,

In December 2010, the Office for State, Tribal, Local and Territorial Support (OSTLTS) at the Centers for Disease Control and Prevention launched “Did You Know?”, a weekly email meant to inform our state, tribal, local and territorial health partners about recent public health news and reports and help them use this data to put evidence-based recommendations into public health.

In order to ensure that we provide only the most relevant and timely content, we would like to invite **state, tribal, local and territorial public health professionals who subscribe to “Did You Know?”** to participate in a **10-15 minute survey**. Your feedback is invaluable and will be used as we develop future “Did You Know?” content.

We have a limited number of spots for participating in this survey. It will be open from [[START DATE]] until [[END DATE]] or when our participant limit is reached. We look forward to hearing from you. If you have any questions or concerns, please e-mail Melissa McAvoy at MMcAvoy@cdc.gov.

Survey: [[LINK]]

Sincerely,

Judith A. Monroe, MD, FAAFP
Director, Office for State, Tribal, Local and Territorial Support
Deputy Director, Centers for Disease Control and Prevention
