#### SURVEY OF STATE and TERRITORIAL ASTHMA PROGRAM EVALUATORS

1.

Form Approved  
OMB No. 09200879  
Expiration Date: 03/31/2014

#### **Introduction**

Program evaluation offers a set of tools and skills for ensuring that public health programs operate as effectively as possible. As evaluators, we can use a similar approach to ensure that our evaluation practice produces information that is useful and accurate and that our methods meet the standards for quality and propriety. We recognize that there are varying levels of evaluation experience among state grantee evaluators, but know that many of your public health skills are also common to evaluation.

#### **Purpose**

This self-assessment instrument is designed to support the professional development of evaluators by identifying our strengths and needs and by stimulating reflection, both individually and with our fellow evaluators. The self-assessment is intended for use by asthma program evaluators practicing at the state, territory, and national levels. Together we can identify opportunities for you to advance your evaluation skills, share them with others or recommend additional evaluation resources that could enhance your evaluation practice. Please be aware that this instrument is intended solely for the identification of your training, technical assistance and resource needs and will not to be used for personnel evaluation. We have organized the self-assessment in two parts. Section I provides an opportunity for you to assess your skills and experience carrying out a variety of evaluation related activities. This section is for your own personal use and professional reflection. Section I Summary Sheet asks you to reflect on what you learned from your self-assessment including: summarizing your strengths and needs, indicating evaluation methods or approaches you would like to learn more about, identifying skills you would like to build on and skills you would like to share with others. We ask that you share the Section I Summary Sheet with your Evaluation Technical Advisor, as it will help us tailor the types of resources and support we provide you, including planning for future trainings and materials development. Section II has questions about your organization and asks that you assess its experience with and attitudes toward evaluation. We ask that you fill this section out and return it to your ETA. We will use this information to understand your needs and the context in which you work. We may also be able to assist you in building evaluation capacity in your organization.

#### **Follow-Up**

Once you have completed Section I Summary Sheet and Section II, please contact your ETA to schedule a confidential discussion of your assessment. Together we can identify opportunities for you to advance your evaluation skills and share them with others. Your ETA can also recommend additional evaluation resources that can assist you in becoming a more effective evaluator.

Public reporting burden of this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information

### Additional Resources:

A resource document entitled "Self-Assessment Follow Up" is available from your ETA upon completion of this instrument. The Self-Assessment Follow Up provides details about where to obtain information on a number of topics presented in this self-assessment instrument—including resource documents available in print and online, as well as professional development training opportunities.

### 2. Background information

#### Please tell us a little bit about yourself.

1. For what state/territory do you serve as evaluator? Please enter two character abbreviation.  
\_\_\_\_\_
2. What is your position in the asthma control program (check all that apply)?  
\_\_\_\_\_ Evaluator – state employee  
\_\_\_\_\_ Evaluator – contractor/consultant  
\_\_\_\_\_ Program Manager  
\_\_\_\_\_ Principal Investigator  
\_\_\_\_\_ Other (please specify): \_\_\_\_\_
3. How long have you been working in the asthma or respiratory health field?  
\_\_\_\_\_ < 1 year  
\_\_\_\_\_ 1 to <2 years  
\_\_\_\_\_ 2 to 5 years  
\_\_\_\_\_ >5 years

### 3.

4. Which of the following best describes your level of experience in program evaluation?  
\_\_\_\_\_ Relatively no experience, need comprehensive training  
\_\_\_\_\_ Little experience or background, need training on most topics  
\_\_\_\_\_ Moderate experience, need refresher courses and more advanced skill training  
\_\_\_\_\_ Advanced experience, need training or information on emerging topics

### 14. Organizational Practices and Readiness for Learning

In the following section please reflect on the asthma program with which you work. When considering these questions, think about how open the program is to supporting evaluation in general, to conducting evaluations, and to using evaluation findings in making decisions. Please answer the following questions in terms of the program, unit, or department with which you work and that you know best, not the larger organization.

#### 1. Please indicate to what extent you agree with the following statements about your program, unit, or department within your organization:

	Strongly Disagree	Somewhat Disagree	Neutral	Somewhat Agree	Agree
a. My organization has evaluator positions or position descriptions that include evaluation as an essential job function.....	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
b. Organization leaders support and value program evaluation.....	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
c. Organization leaders integrate evaluation findings into the strategic planning process.....	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
d. Organization leaders motivate staff to integrate evaluation into their work.....	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
e. Program evaluation routinely drives continuous improvement of programs.....	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
f. Organizational funds are routinely dedicated to evaluation (beyond my salary).....	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

g. Organization leaders support training to improve evaluation skills.....	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
h. Our performance review system values evaluation and offers promotions or rewards for evaluation work.....	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
i. My organization has systems in place to change policies and procedures based on evaluation findings and recommendations.....	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
j. Staff with evaluation expertise are available within my organization to assist me.....	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
k. Organizational support is available for technology systems, including software that can be used to manage and analyze evaluation data (e.g., Excel, SPSS).....	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

**15. Technical Assistance Needs**

1. **Please identify your greatest needs for technical assistance, whether in developing your own evaluation competencies or in building support for evaluation in your organization or building evaluation capacity.**

## Section II

### ATTACHMENT – C: Data Collection Instrument Part 2

#### 1. Assessment of NACP Evaluation Technical Assistance

This portion of the survey assesses the evaluation technical assistance provided by the National Asthma Control Program (NACP) to evaluators working with state asthma programs. Questions cover both the one-on-one technical services offered by your ETA as well as other evaluation resources provided by the NACP.

The information that you provide will be used to improve evaluation technical assistance and to make internal decisions about the extent to which various services are needed. We ask that you provide honest feedback about the individualized support you have received to date and the type of assistance you think is most helpful to the work you do.

For this section, we have taken every effort to create a survey that will not allow us to identify you or the state asthma program for which you provide evaluation services

**1. Over the past year, check the level of interaction you have typically had with your ETA.**
