CDC NPIN Web Site User Survey

Public reporting burden of this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0768).

Dear CDC NPIN Web site user,

We are conducting a brief survey on users' experiences with the NPIN Web site. The feedback you provide will help us enhance our Web site and services to better meet your needs. Your responses are voluntary. We value your feedback, and your opinions and suggestions are important to us. We will not ask you for any identifying information, and all survey responses will be analyzed and reported in the aggregate.

Please answer the following questions as candidly as you can. Thank you for your input!

Sincerely,

CDC NPIN Team

**
