Dear Client of the Arson and Explosives Programs Division:

Carl J. Truscott, the Director of ATF, recently wrote to you about a customer survey we are conducting for ATF. The purpose of the survey is to give ATF information about how well they are serving their customers. They want to know the areas that need change and improvement as well as their strengths in bringing you the services you need. They intend to use the survey results to make those changes necessary to improve their services. We hope you will complete the survey.

The survey can be completed on the enclosed questionnaire, or electronically. You may choose to identify yourself and /or your organization, or to be anonymous. We will not report names of individuals or organizations in any reports we write. The access code number at the top of the questionnaire is to ensure that each responder answers the questionnaire in only one of the two formats provided.

ATF has also instructed us to notify them if a customer has a need for their immediate attention and identifies himself/herself.

If you choose to complete the enclosed questionnaire, please return it to us in the self-addressed, stamped envelope. When we receive your questionnaire, we will immediately record your response in our secure computerized database.

If you choose to respond to the survey electronically, please follow these instructions:

1. Enter the link to our website (WWW. ATF/Sirota/Survey).
2. Enter your access code, as instructed. The access code is at the top of this letter and on the top of the printed questionnaire.
3. Follow the instructions on how to respond to each question.
4. Submit the questionnaire.

If you have any questions, please call me at 1-800-777-8196, ext. 213, or e-mail me at Wreichman@sirota.com. Your participation in this survey is appreciated.

Sincerely,
