USE OF FORM – You can use this form to make a claim for the proceeds of a Fiscal Agency check which is shown to have been paid but for which you never received the funds. If it is later determined that you cashed the original and any settlement check(s), the overpayment must be properly refunded. Failure to do so could result in legal action. Be sure to include the Check Identification information from Item 2 with any refund. (You may use the area at the bottom of Page 4 to document this information for your records. You may also want to keep a copy of the completed form.)

Before completing this form:
