OMB Control No. 1640-XXXX
Expires XXXXXXXX

In order to access this secure portal, please fill in the following registration form. The information contained in this form will be used to determine your eligibility for access to the portal. This registration form will take approximately 15 minutes to complete. Account Request Note: Site membership is open to U.S. Persons from Government, Law Enforcement, Private Sector and Academia (Faculty & Graduate Students) working in the varying fields of digital forensics. NOTICE: The information contained in this application will be used to populate your user profile and will be viewable by other CyberFETCH users. The sponsor information will only be available to CyberFETCH staff and will not be viewable by other users. CyberFETCH will not disclose personal information to third parties for commercial marketing.

E-mail *

A valid organizational e-mail address is required. All e-mails from the system will be sent to this address. The e-mail address is not made public and will only be used if you wish to receive a new password or wish to receive certain news or notifications by e-mail. If you do not have an official e-mail address that you have the option to apply to the FBI Law Enforcement Online (LEO) service. LEO is a secure, internet-based communications portal that will accept and approve members affiliated with the criminal justice system, intelligence communities, military personnel and government agencies associated with infrastructure protection of the United States. When approved you will have a gov email address as part of your membership which you can use to apply with us. Go to [www.fbi.gov](#) to apply. (2) Provide your sponsor's information in the form fields below. A valid sponsor must be an existing member of CyberFETCH.

Privacy Act Notice: Authority to Collect This Information: The Homeland Security Act of 2002 [Public Law 107-296, §302 (4)] authorizes the Science and Technology Directorate to conduct "basic and applied research, development, demonstration, testing, and evaluation activities that are relevant to any or all elements of the Department, through both intramural and extramural programs." In exercising its responsibility under the Homeland Security Act, S&T is authorized to collect information, as appropriate, to support R&D related to improving the security of the homeland.

Principle Purposes: CyberFETCH is a secure, web-based portal that enables computer forensics practitioners, investigators, analysts, technologists, and others to share and exchange information on cyber-crime related topics for collaborative and research purposes. DHS will collect and use this information to register and provide users access to this collaborative environment.

Routine Uses and Sharing: In general, DHS will not use this information for any purpose other than the purpose stated above. However, DHS may release this information of an individual on a case-by-case basis as described in the DHS/ALL-002 and DHS/ALL-004 System of Records Notice (SORN), which can be found at: <http://edocket.access.gpo.gov/2009/E9-23513.htm> and the DHS Portals PIA found at: <http://www.dhs.gov/library/assets/privacy>

[/privacy_pia_dhs_portals.pdf](#). Specifically, DHS may provide this information to contractors and their agents, grantees, experts, consultants, and other performing or working on a contract, service, grant, cooperative agreement, or other assignment for DHS, when necessary to accomplish an agency function related to this system of records. Individuals provided information under this routine use are subject to the same Privacy Act requirements and limitations on disclosure as are applicable to DHS officers and employees.

Disclosure: You may opt not to provide the requested information or to provide only some of the information DHS requests. If you opt not to provide some or all of the requested information, DHS may not be able to process your registration.

PRA Burden Statement: An agency may not conduct or sponsor an information collection and a person is not required to respond to this information collection unless it displays a current valid OMB control number and an expiration date. The control number for this collection is 1640-XXXX and this form will expire on XXXXXXXX. The estimated average time to complete this form is 30 minutes per respondent. If you have any comments regarding the burden estimate you can write to Department of Homeland Security, Science and Technology Directorate, 245 Murry Lane, Washington, DC 20528.
