SUPPLEMENTARY INFORMATION: Section 206(a) of the Disaster Mitigation Act of 2000 (DMA 2000) (Public Law 106-390) consolidated the "Temporary Housing Collection of Information Assistance" and the "Individual and Family Grant Programs" into a single program called "Federal Assistance to Individuals and Households" (IHP) at section 408 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Pub. L. 93-288, as amended). To implement this consolidation, which is intended to streamline the provision of assistance to disaster applicants, FEMA published regulations at 44 CFR 206.110 through 206.120. Pursuant to these regulations, applicants are able to request approval of late registrations, request continued assistance, and appeal program decisions. Similarly, States can partner with FEMA for delivery of disaster assistance under the "Other Needs" provision of the IHP through Administrative Option Agreements and Administration Plans addressing the level of managerial and resource support necessary.
