or 2010 for Pollutant

Moisture content (%)	Data average affected by a startup, shutdown, or other event? (If event, describe)	OPTIONAL: Emission value (ppmvd @ 7% O ₂)	OPTIONAL: 1-day average emission value for pollutant in other units		
			1-day average emission value for pollutant, corrected for %O ₂ (value)	1-day average emission value for pollutant, (units)	% O ₂ correction (by volume, dry basis)
