Daily Average Process Data for a 30 Day Period Including the

Date	Process Input Rate	Units for Process Input Rate	Temperature (°F)
------	--------------------	------------------------------	------------------

- Day 1
- Day 2
- Day 3
- Day 4
- Day 5
- Day 6
- Day 7
- Day 8
- Day 9
- Day 10
- Day 11
- Day 12
- Day 13
- Day 14
- Day 15
- Day 16
- Day 17
- Day 18
- Day 19
- Day 20
- Day 21
- Day 22
- Day 23
- Day 24
- Day 25
- Day 26
- Day 27
- Day 28
- Day 29
- Day 30

Testing Date

Pressure (psia)	Description of Process Variable 1	Value for Process Variable 1	Units for Process Variable 1
------------------------	--	-------------------------------------	-------------------------------------

Description of Process Variable 2	Value for Process Variable 2	Units for Process Variable 2	Description of Process Variable 2	Value for Process Variable 2
--	-------------------------------------	-------------------------------------	--	-------------------------------------

Units for Process Variable 2	Description of Process Variable 3	Value for Process Variable 3	Units for Process Variable 3
-------------------------------------	--	-------------------------------------	-------------------------------------

Description of Process Variable 3	Value for Process Variable 3	Units for Process Variable 3	Description of Process Variable 4
--	-------------------------------------	-------------------------------------	--

Value for Process Variable 4	Units for Process Variable 4	Description of Process Variable 4	Value for Process Variable 4
-------------------------------------	-------------------------------------	--	-------------------------------------
