SunWise.							
Information collection via this form i	is authorized by OMB Control No. 20	50-0439.					

Information collection via this form is authorized by OMB Control No. 2060-0439. required item optional item									
About You									
To establish that you are a partner registered with the SunWise Program, please enter:									
Your Name:									
Your Organization:									
Your Participation in SunWise									
Please se	lect: Did you teach SunWise activities to any children this past year (2010)?								
Please estimate how many children received SunWise teaching: What ages did you teach: How much activity time was spent on SunWise: (total minutes per year)									
C No	No In the interest of improving SunWise, can you tell us why not? Skip to the Suggestions section								
How do you typically use the SunWise resources?									
How many years have you been teaching the SunWise Program?									
Do you plan on teaching SunWise next year?									
Ye N s o									
If not, why	not?								

Did you order or download any SunWise resources besides the Tool Kit activities?

I. Overall Satisfaction:

1. Please rank the **children's** overall satisfaction with the SunWise program.

Use a scale of 1 to 5, with 1 being the least satisfied and 5 being the most satisfied.

2. Please rank **your** overall satisfaction with the SunWise program.

Use a scale of 1 to 5, with 1 being the least satisfied and 5 being the most satisfied.

II. Cross-Curricular Lessons (SunWise Tool Kit)

3. Overall the instructional level of the Tool Kit was:

0	0			0				
Too easy A	Abo	ut ri		Too advar	nced

7. Did the SunWise Tool Kit help **you** learn about the risk of overexposure to the sun?

Use a scale of 1 to 5, with 1 being the least helpful and 5 being the most helpful.

8. How many other members of your organization did you share your materials with?

9. To the best of your knowledge, how many members of your organization are currently using the SunWise curriculum?

10. Would you recommend the SunWise Tool Kit to other staff?

III. UV Index/Frisbee Use

11. Did you use the SunWise Web site with children to gather and/or input UV Index data?

12. Was the UV Frisbee an effective teaching tool?

IV. Infrastructure Enhancements

13. Did you organize any organization-wide sun safety activities (out of the classroom)?

S	0
If yes, ple	ease de

14. Please indicate if any of your organization's policies changed as a result of your efforts with SunWise. (Check all that apply.)

		Before SunWise?	After SunWise?
a. Were notes about sunscreen sent home to parents?			
b. Was sunscreen available at your organization?			
c. Were more shade structures added at your facility/community?			
d. Were more trees added at your facility/community?			
e. Was an organization-wide sun safety policy formalized?			
f. Were announcements about sun protection made (e.g., on sunny da before field trips)?	ys or		
(Check all that apply.) a. Organization does not allow the use of sunscreen.			
a. Organization does not allow the use of sunscreen.			
b. Children use sunscreen inappropriately (e.g., smear it on surfaces).			
c. Children cannot afford sunscreen.			
d. There is not enough time to apply sunscreen to all children.			
e. Children are not allowed to wear hats.			
f. Shade structures are too expensive.			
g. Other (please describe):			

16. Since teaching the SunWise Program, have you talked to your family or friends about being sun safe more often?

V. Suggestions

Submit your information

Clear the form

17. What information, materials, or resource	es would yo	u suggest we a	dd, delete or change	e?					
18. Have you developed any enhancement willing to share?	nt activities	/lessons for us	e with SunWise th	at you would be					
re o N									
If yes, please describe									
VI. Future Participation									
19. Would you like to continue your particip enrolled in SunWise, and you do <i>not</i> neo			ext year? (You auton	natically stay

20. How receptive would you be to new units on:									
	Not v		Somewhat receptive	Very receptive					
a. Dangers of tanning beds?	0	0		0					
b. Helping children resist need for tanning?	0	0		0					
c. Educating parents about sun protection?	0	0		0					

THANK YOU

The public reporting and record-keeping burden for this collection of information is estimated to average 30 minutes per response. Burden means the total time, effort, or financial resources expended by persons to generate maintain, retain, disclose, or provide information to or for a federal agency. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. (This collection is OMB control number 2060-0439.) Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the Director, Collection Strategies Division, OIC/OEI, U. S. Environmental Protection Agency (2822), 1200 Pennsylvania Ave., NW, Washington, DC 20460; and to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725 17th Street, NW, Washington, DC 20503, Attention: Desk Officer for EPA. Include the OMB control number in any correspondence
