I. Overview of Operating Authority

Depending upon the type of business operation (Motor Carrier, Broker, Freight Forwarder, Shipper, Vehicle Registrant, and/or Cargo Tank Facility) and what will be transported (property, hazardous materials, and/or passengers), companies may be required to register for both Interstate Operating Authority (Form OP-1 series or Form OP-2) and USDOT Number (Form MCS-150 series). The Federal Motor Carrier Safety Administration (FMCSA) enforces compliance with the Federal Motor Carrier Safety Regulations (FMCSRs) and the Hazardous Materials Regulations (HMRs), which govern safety and financial responsibility. FMCSA's registration requirements reflect the focus on both of these concerns.

FMCSA encourages all applicants with Internet access to use the online registration assistant at <http://www.fmcsa.dot.gov/online-registration> in order to determine FMCSA's registration requirements. Applicants without Internet access can call FMCSA at 1-800-832-5660 for assistance.

Who Needs Operating Authority?

Before beginning **interstate** operations in the United States (U.S.), all authorized for-hire Motor Carriers of non-exempt property and passengers, Brokers, and Freight Forwarders based in the U.S. or Canada must obtain Operating Authority by submitting the appropriate form(s) in the OP-1 series. For a description of the different types of OP-1 forms and the various FMCSA requirements for obtaining Operating Authority, please see "[What Are the Steps in Getting Operating Authority?](#)" (Topic IV) in this packet.

NOTE:

- Hawaii-based Motor Carriers that transport household goods, property or passengers within a terminal area (see 49 U.S.C. § 13504) must obtain Operating Authority. Carriers that operate solely within the State of Hawaii and do not transport household goods are *not* required to obtain Operating Authority.
- Mexico-based Motor Carriers should refer to http://www.fmcsa.dot.gov/espanol/forms_sp.htm (Spanish) or <http://www.fmcsa.dot.gov/espanol/english/forms.htm> (English) for more information.

In addition to Operating Authority, some Motor Carriers of property or passengers must obtain a USDOT Number before beginning interstate operations. Please consult "What Forms Do I Need to Complete?" at <http://www.fmcsa.dot.gov/reg-forms> which specifies the required forms for both Operating Authority and USDOT Number.

II. How to Apply

Applications may be submitted online or mailed to FMCSA. Compared to mailing, the online method reduces processing time by as much as 2-3 weeks, thus enabling companies to begin their operations sooner.

Remember, operations cannot begin until the certificate, permit, or license for Operating Authority has been received. For more information, see "[What Are the Steps in Getting Operating Authority?](#)" (Topic IV) in this packet.

Apply Online

Applying online requires the use of a valid credit card (American Express, Discover, MasterCard, or Visa). Those who do not wish to submit their credit card information online must complete the application and payment by mail (see “Apply by Mail” below).

The following tips are encouraged:

- Go to <http://www.fmcsa.dot.gov/online-registration> and complete the “Step-by-Step Registration Guide” prior to starting the application. The registration guide will lead users through a series of questions. Based upon the answers to the questions, the guide will identify required registration forms and link users directly to the online application form.
- Utilize the form instructions during the completion of the online form. This will help to ensure that the application is completed accurately.

NOTE:

- The applicant’s legal name (or the authorized representative’s name) must match the name and billing address of the credit card.
- Record the MC or FF Number that is provided after approval of the application. This number will be needed on the insurance and process agent forms that are required to complete the application process for obtaining Operating Authority (for more details, see “[What Are the Steps in Getting Operating Authority?](#)” (Topic IV) in this packet). This number may also be needed for any correspondence with the FMCSA.

IV. What Are the Steps in Getting Operating Authority?

For Motor Carriers, Brokers, and Freight Forwarders based in the U.S. or Canada, the Operating Authority application process includes the six steps shown below. Motor Carriers based in Hawaii or Mexico should see the NOTE in “[Overview of Operating Authority](#)” (Topic I) in this packet.

Step 1 – Application for Operating Authority

Motor Carriers, Brokers, and Freight Forwarders begin the Operating Authority application process by submitting one (or more) of the following forms with the appropriate application processing fee:

- **OP-1** - Operating Authority for:
 - **Motor Carrier** (common property, contract property, common household goods, or contract household goods)
 - **Broker** (property or household goods)
 - **United States-based Enterprise Carrier** (international cargo or international household goods)
- **OP-1(P)** - Operating Authority for **Motor Passenger Carrier** (common or contract)
- **OP-1(FF)** - Operating Authority for **Freight Forwarder** (property or household goods)

NOTE:

- For descriptions of the different types of Operating Authority, see “[SECTION II – Type of Authority](#)” under “[How to Complete the OP-1\(P\) Application for Motor Passenger Carrier Authority](#)” (Topic V) in this packet.
- To identify the required form(s) for Operating Authority as well as USDOT Number, see “What Forms Do I Need to Complete?” at <http://www.fmcsa.dot.gov/reg-forms>.

Step 2 – Grant Letter and MC/FF Number

Applicants will receive a grant letter after FMCSA processes and accepts the Operating Authority application as follows:

- If applying online, a Motor Carrier (MC) or Freight Forwarder (FF) Number will be provided immediately and the confirmation grant letter will arrive via mail.
- If applying by mail, the grant letter should arrive via mail in approximately 4 weeks. This letter will include the MC or FF Number. Applicants have the option of checking the status of their application online. See “[Information Sources](#)” (Topic VI) in this packet for instructions.

Insurance Companies and Process Agents will use the MC or FF Number to make the appropriate filings on behalf of applicants to complete the application process for obtaining Operating Authority.

NOTE: Although an MC or FF Number has been assigned, this does not represent Operating Authority. The company may not begin to operate until it has received the corresponding certificate, permit, or license for Operating Authority described in [Step 6](#).

Step 3 – 10-day Protest Period

At the same time the grant letter is mailed, each company’s application for Operating Authority will be published in the *FMCSA Register*. This publication initiates the 10-calendar-day protest period, during which any individual can file a protest with FMCSA stating why a company should not be issued Operating Authority. FMCSA will accept protests sent by mail as long as they are postmarked by the last day of the protest period. FMCSA will provide the applicant with information on the adjudication process if any protests are filed. During this protest period, Insurance Companies and Process Agents can file the necessary documents detailed in Step 4 and Step 5 below.

To view the *FMCSA Register*, go to <http://li-public.fmcsa.dot.gov> and then follow the steps below:

- 1) Read the introductory page and then click the “Continue” link
- 2) Select the “FMCSA Register” option in the dropdown menu and click “Go”

Step 4 – Insurance

This step can begin any time after an applicant receives its MC or FF Number as described in Step 2 above and is not dependent on Step 3 being completed. An Insurance Company must file the appropriate insurance form(s) on behalf of the applicant within 90 days of the date the application for Operating Authority was published in the *FMCSA Register*. Otherwise, the application for Operating Authority will be dismissed and the application fee will not be refunded. The applicant will receive a warning letter about the 90-day deadline if FMCSA has not received the required documentation within 20 days.

NOTE:

- Applicants may not file insurance forms on their own behalf. Therefore, FMCSA does not provide insurance forms to applicants.
- An authorized representative from the home or branch office of an Insurance Company must file the required insurance form(s) on the applicant's behalf.
- To minimize processing delays, FMCSA recommends filing forms electronically.
- It is the applicant's responsibility to follow up with the Insurance Company to verify that FMCSA has received and approved the required insurance form(s).
- Check the status of insurance filings by either accessing the FMCSA Web site (see "[Information Sources](#)" (Topic VI) in this packet for instructions) or calling FMCSA toll-free at 1-866-637-0635 or 202-385-2423 (Monday through Friday, 8 a.m. to 4:30 p.m. e.s.t.).

FMCSA requires the following insurance form for applicants requesting Operating Authority as a Motor Carrier of Passengers:

- Form BMC-91 or BMC-91X for proof of bodily injury and property damage (BI & PD) insurance

Motor Carriers of Passengers are required to maintain BI & PD insurance as follows:

- \$1,500,000 minimum liability coverage is required if **all** vehicles in the company fleet have a seating capacity of 15 passengers (including the driver) or fewer
- \$5,000,000 minimum liability coverage is required if **any** vehicle in the company fleet has a seating capacity of 16 passengers (including the driver) or more

NOTE: Passenger Carriers that are Federal Transit Administration grantees (Transit Benefit Operators) under 49 U.S.C. 5307, 5310, or 5311 are required to maintain liability insurance at least at the highest level required by any of the States in which the transit service area is located. FMCSA will waive the \$300 filing fee for the OP-1(P) Application for Motor Passenger Carrier Authority for Transit Benefit Operators.

The following forms are not required by Motor Carriers of Passengers:

- Form BMC-34 for cargo liability
- Form BMC-84 for broker surety bond
- Form BMC-85 for broker trust fund agreement

For more details about which insurance/financial form(s) FMCSA requires, please see 49 CFR Part 387. To view this information, go to the FMCSA Web site at <http://www.fmcsa.dot.gov> and search for "387" in the Rules & Regulations search box.

Self Insurance

Motor Carriers, U.S.-based Enterprise Carriers, and Freight Forwarders may qualify as a self-insurer against bodily injury, property damage, and cargo liability claims, by submitting Form BMC-40 (Application for Authority to Self-Insure) and evidence to the FMCSA to demonstrate the existence of the following:

- Adequate tangible net worth that will cover any liability claims in the event of a loss
- Sound self-insurance program
- Adequate safety program

FMCSA will approve an application to self-insure subject to appropriate and reasonable conditions. For more details about self insurance, see 49 CFR § 387.309 and § 387.411.

Step 5 – Process Agent

This step can begin any time after an applicant receives its MC or FF Number as described in Step 2 above. FMCSA requires each applicant for Operating Authority to designate a Process Agent in every State in which it conducts business or maintains an office. A Process Agent is a representative upon whom court papers may be served in any legal proceeding brought against a Motor Carrier, Broker, or Freight Forwarder.

Motor Carriers of Property and/or Passengers, and CMV-operating Freight Forwarders:

- must designate a Process Agent in each State that they operate in or through.
- can act as their own Process Agent in the State in which they maintain a physical office (P.O. Box address is not considered a physical office).

Brokers and Freight Forwarders that will not operate CMVs:

- must designate a Process Agent in each State in which they maintain an office or establish contracts.
- can act as their own Process Agent in the State in which they maintain a physical office (P.O. Box address is not considered a physical office).

Either the applicant or Process Agent, on behalf of the applicant, can file Form BOC-3 (Designation of Process Agents) with the FMCSA. This form must be filed within 90 days of the date the application for Operating Authority was published in the *FMCSA Register*. Failure to meet this deadline will result in dismissal of the Operating Authority application and loss of the application fee. The applicant will receive a warning letter about the 90-day deadline if FMCSA has not received the required documentation within 20 days. To minimize processing delays, FMCSA recommends electronically filing Form BOC-3 at <http://li-public.fmcsa.dot.gov>.

For a fee, many commercial companies will arrange a Process Agent in any State. Some companies offer “blanket coverage,” which designates a Process Agent in every U.S. State. For a list of Process Agent companies, visit the FMCSA Web site at <http://www.fmcsa.dot.gov/process-agent>. For more details about Process Agent designation, see 49 CFR Part 366.

Step 6 – Certificate, Permit, or License of Operating Authority

After FMCSA has approved the application, insurance, and process agent filings, and the protest period has ended without any protests, applicants are issued Operating Authority in the form of a certificate (Motor Carrier), permit (Freight Forwarder), or license (Broker). **Applicants may not begin operations until this official record of Operating Authority is received by mail.**

State Regulations and Requirements

In addition to Federal requirements, all applicants must comply with registration, fuel tax, and other State regulations and procedures. Before beginning new or expanded interstate operations, applicants must familiarize themselves with the various State rules applicable to interstate companies in each State in which they plan to operate. Begin this process by contacting the transportation regulatory agency for the State in which the applicant is located.

V. How to Complete the OP-1(P) Application for Motor Passenger Carrier Authority

These instructions will assist companies in accurately completing the application. **Incomplete or incorrect applications will be delayed or suspended until the applicant has been contacted and the problems have been resolved. If an application is rejected, the application fee will not be refunded.**

NOTE FOR APPLICATIONS THAT WILL BE MAILED:

- Please **print clearly in ink** or **type** all information.
- If more space is needed to complete any section on the application form, please attach a separate sheet of paper and label each page with the applicant's legal business name, section number on the form, and item description.

FMCSA Authority

Select the "YES" response if either of the following conditions are true:

- Operating Authority was previously issued by the Interstate Commerce Commission (ICC), Federal Highway Administration (FHWA), Office of Motor Carrier Safety (OMCS), or Federal Motor Carrier Safety Administration (FMCSA)
- An application for Operating Authority is currently being processed by FMCSA

If neither of the conditions above apply, then select the "NO" response.

If the "YES" response is selected, indicate the MC/FF Number (for example: MC-999999), which is also called the lead docket number. To search for the MC/FF Number, follow the instructions provided under "MC/FF Number" in "[Information Sources](#)" (Topic VI) in this packet.

Legal Business Name

Doing Business As Name

Leave this item blank unless the Doing Business As (DBA) Name or Trade Name is different from the Legal Business Name entered above. For example: enter "John's Trucking Company" here if the business operates under this name, but John A. Doe is the Legal Business Name.

NOTE: It is important to spell, space, and punctuate the business name the same exact way each time it appears on an application; any difference will be considered a different company. For example: John Jones Trucking Co., Inc.; J. Jones Trucking Co., Inc.; and John Jones Trucking are considered three separate companies.

Business Address

Enter the physical street address of the company's principal place of business. If there is more than one business location, provide the address where most of the company's safety records are maintained. For example: 756 Bounty Street or 15433 State Highway 23.
