236(b) USE AGREEMENT

This Agreement, entered into by the Secretary of Housing and Urban Development (the "Secretary" or "HUD"), and (Owner), provides as follows:

WHEREAS, (the "Project"), a (number) unit project located in (City, State), was financed with a Secured Note (the "Mortgage Note") and Mortgage (the "Mortgage"), dated and insured and assisted by the Secretary under Section 236 of the National Housing Act, as amended, and covering real property as described in Exhibit "A" attached hereto, which Mortgage was recorded in the (City or County) Registry of Deeds at (location);

[for use if as part of the transaction the Owner has purchased the property]

WHEREAS, the Owner has purchased the Project with the Secretary's approval;

[for use if as part of the transaction the Owner has purchased the property, and there was a section 8 contract that was assigned to such owner]

WHEREAS, in connection with the purchase of the Project, the Section 8 Housing Assistance Payments Contract (the "HAP Contract") was assigned to the Owner, the FHA mortgage insurance on the Mortgage was terminated, the Mortgage was converted to a Section 236(b) noninsured mortgage and the interest reduction payments continued pursuant to the terms of the Agreement for Interest Reduction Payments of even date herewith (collectively, the "Transaction").

WHEREAS, in exchange for the Secretary's approval of the Transaction, the Owner has agreed to subject the Project to certain use restrictions, as set forth herein, which shall run with the land;

NOW, THEREFORE, in consideration of the mutual promises set forth herein, the parties hereby agree as follows:

1. [if applicable] Continuation of Section 8 Assistance. The Project currently receives the benefit of Section 8 assistance for (number) units pursuant to the terms of the HAP Contract. The Owner agrees to

accept and utilize project-based Section 8 assistance in accordance with the HAP Contract, and agrees to accept, on the same terms and conditions of the existing HAP Contract, any renewal or extension of the HAP Contract or any contract under a program designated by the Secretary as a successor to the Section 8 program.

2. [if applicable] Termination of Section 8 Assistance. In the event that the HAP Contract is terminated or not renewed, for any reason, the Owner shall continue to rent the Project under the terms of the Section 236 Interest Reduction Payments Agreement.

3. Continuation of All Affordability Restrictions. As a condition for receiving continued IRP under section 236(b), the owner agrees “to operate the project in accordance with all low-income affordability restrictions for the project in connection with the Federal Assistance for the project for a period having a duration of not less than the term for which such interest reduction payments are to be made under the mortgage (for which the insurance was terminated), plus an additional 5 years. By “all” low-income affordability restrictions” and the word “Federal” before “assistance,” the statutory provision requires the continuation of any low-income affordability restrictions in effect at the project on the date of the prepayment of the section 236 mortgage, if such restrictions have resulted from Federal, as opposed to, for example, state or local assistance, whether such assistance is presently being provided, or was provided at some point in the past. Examples of affordability restrictions linked to Federal assistance can include, but not be limited to, the section 236 restrictions governing the use of IRP, use restrictions on projects that were preservation eligible and received preservation incentives pursuant to an approved plan of action, use restrictions deriving from tax credits, etc.

At the subject project, the following affordability restrictions shall continue for the period referred to in the preceding paragraph: [use numbering if more than one restriction is relevant] (1) The affordability restriction inherent, through the operation of the section 236 statute, and in the section 236 program, which is to provide affordable housing for low-income tenants, and, which as implemented by HUD, makes the housing affordable for tenants whose income is at 80 percent of median income or lower. Thus, all section 236 statutory and regulatory requirements governing rents and occupancy operate, including the establishment of basic and fair market rents, pursuant to 24 CFR 236(f) of the NHA; (2) [if relevant] ; (3) [if relevant] ; and (4) [if relevant]

4. Physical Condition of the Property. The owner shall, for the term of this use agreement, maintain the property in a condition that is decent, safe and sanitary, and in good repair. It shall do so in conformity with HUD requirements at 24 CFR Part 5, Subpart G, or any successor regulation.

5. Financial Reporting Requirements. The owner shall, for the term of this use agreement comply with HUD financial reporting requirements at 24 CFR Part 5, Subpart G, or any successor regulation.

6. Tenant -based Assistance. The owner shall not unreasonably refuse to lease a dwelling unit to, or otherwise discriminate against, a prospective tenant because the tenant is the holder of a Certificate of Family Participation or a Voucher under Section 8 of the United States Housing Act of 1937 (42 USC Section 1437f).

7. Runs With the Land. This Agreement shall run with the land and be binding upon the Owner, as well as any successors and assigns. Notwithstanding the above sentence, upon conveyance of the Project during the term of this Agreement, the Owner shall by contract, require its successors or assignees to assume its obligations under this Agreement.

8. Term. This Agreement shall continue in full force and effect until _____
