

APPENDIX C

TUES Monitoring System Sample Correspondence to Respondents

The sample correspondence for the TUES system is not yet available. Correspondence will be similar to data collection correspondence found in appendix C for each of the other monitoring systems included in the generic clearance and will include at a minimum:

- E-mail Notification of System Launch
- E-mail Notification of the Means to Obtain Login Credentials
- E-mail Reminder of Due Date

The correspondence will be sent to primary investigators (PIs), co-primary investigators (co-PIs), and project coordinators (PCs).
