INSIDE JACKET

INSTRUCTIONS FOR USE

1. On front cover, complete scale ID and enter dates the log covers.
2. On outside back cover, complete the elevator name, location, serial number, and scale capacity.
3. Record the placement or removal of seals on pages headed "Seal Record", at the back of the book.
4. On the inside pages, record: (1) the dates and results of scale tests, (2) scale and related equipment malfunctions, and (3) any additional data required by the field office manager.
5. When the log is full, file at the field office, delegated State or designated agency office, as appropriate, and retain as a historical record of the scale's performance.
