2009-2010 School District Review Program (SDRP): Readme.txt

U.S. Census Bureau
Geography Division

This CD/DVD contains all information needed by state education officials
responding to the 2009-2010 SDRP. You do not have to read/print all the
attachments. Read/print those that apply for your participation method. The
materials you receive in the 2009-2010 SDRP reflect the school district names,
boundaries, grade ranges, levels, and Federal Local Education Agency
identification numbers updated during the 2007-2008 SDRP. These school districts
were in effect as of January 1, 2008.

You can also find information about the 2009-2010 School District Review Program
at the SDRP website:
