Your 2010 Decennial Census Local Update of Census Addresses (LUCA) Program Feedback materials should arrive within the next few weeks. To ensure the security of the confidential Title 13 data, the Census Bureau's feedback address list is contained in an encrypted, self-extracting file. To open this file, you must enter the case sensitive username and password listed below. The readme file, provided on the CD-ROM with your LUCA feedback materials, provides detailed instructions on how to open the files and documents the file formats.

If you do not receive your LUCA feedback materials within the next few weeks, please contact your Census Bureau's Regional Census Center at 1-866-511-LUCA (5822).
