

Outreach

The **P25 DSR** feedback you send with this form is anonymous and not traceable to you.

If you would like us to contact you to answer questions about the P25 DSR, or if you would like to provide input to update the P25 DSR, please send an email to: [P25 DSR Editor](#). We appreciate and rely on user input to help update the P25 DSR.

Feedback Form: P25 DSR

I found what I was looking for in the P25 DSR.

- Yes**
- No**

I found other information in the P25 DSR that was useful.

- Yes**
- No**

I have these comments for improvement:

Please check all that apply. I use the P25 DSR as a resource for:

- Determining the status of published P25 *TIA* 102-series and related standards**
- Determining the status of draft P25 *TIA* 102-series and related standards**
- Obtaining tutorial information about the Project 25 and *TIA TR-8* standards process**
- Participating in the development of P25 user requirements**
- Participating in the development of P25 and *TIA* 102-series standards**
- Planning public safety communications services and systems**
- Planning non-public safety communications services and systems**
- Preparing an *RFP***
- Procuring P25 equipment and systems**
- Configuring/operating/managing P25 equipment and systems**
- Assessing the compliance of P25 products**
- Developing P25 products**
- Testing P25 products**
- Marketing P25 products**
- Researching and comparing public safety communications products**
- Researching and comparing non-public safety communications products**
- Providing P25-related consulting services**

I prefer this presentation format for the P25 DSR:

- A. Searchable online PDF that's downloadable**
- B. Searchable website**
- C. Both A and B**

Thank you for participating!
