

Rank Your Recommendations: A Survey of MBDA Business Centers

Thank you for your valuable suggestions during the 2012 National Training Conference. Quite naturally, we cannot implement them all at once, but we can begin with those that are most important to you!

We've compiled and categorized each suggestion, so simply select YOUR TOP THREE in each category by indicating 1, 2 or 3 (with 1 being the highest). You can only select three from each category, but this does not mean the others will not be considered.

We will share the results with you as soon as they're in. Thank you!
