**Cc:** Walker, Carol E. (CDC/OD/OADS)  
**Subject:** public on federal register

it is time to shut deown this expensive wasteful program. you have 12 years of data already angod that is enough for conclusions. big govt needs to go. americans cant afford these big expensive studies that prove nothing at all. fat cat bureaucrats do nothing for america with these projects. this is simply boondoggle, wasteful and expensive boondoggle.

this project accomplishes nothing for america.
