NAME \_\_\_\_\_ PHONE \_\_\_\_\_

RESPONDENT NUMBER \_\_\_\_\_

Hello, my name is (NAME) and I'm calling from Westat, a research company in Rockville. May I speak with (NAME)?

(reintroduce yourself if needed)

Thank you for your interest in the Family Life, Activity, Sun, Health, and Eating (FLASHE) Survey. I would like to tell you a little bit about the study and then I'll ask you a few questions to see if you are eligible to take part.

We're looking for people to participate in a session that can last about an hour and a half. In that session you would meet with a Westat researcher who would ask you some questions from a survey that we're developing about health, physical activity, and nutrition habits of parents or guardians and their teenage children. All the interviews are being conducted at Westat's facilities in Rockville or Frederick, MD. Parents and guardians who participate will receive a cash gift of \$75 in appreciation for their time, and their teenagers will receive \$50.

If you are open to it, I would like to ask you a few questions to see if you and your teen are eligible to participate.

IF NEEDED: Westat, a research company in Rockville, Maryland is conducting survey research for the U.S. Department of Health and Human Services to test questions for an upcoming national survey – we'd like to get your opinion on whether the questions are easy to understand and answer.
