

DATE: October 6, 2011
TO: OMB Desk Officer
FROM: SAMHSA Clearance Officer
SUBJECT: Methodological Field Test (OMB No. 0930-0290): NSDUH Cognitive Interviews for Prescription Drug Module Redesign

The attached materials are provided in support of our request for approval of methodological field testing under SAMHSA's generic approval for "National Survey on Drug Use and Health Methodological Field Tests."

This is the first submission under that approval and will impose an estimated total burden of 66 hours. The remaining total burden hours in the OMB inventory for the Methodological Field Test (OMB No. 0930-0290) is 2,684. Approval is requested by October 21, 2011.

We look forward to receiving your feedback so that testing may proceed.
