SUBJECT: Child, Adolescent and Family Branch Technical Assistance Feedback Survey (OMB No. 0930-0197)

The attached materials are provided in support of our request for approval of a customer satisfaction feedback survey under SAMHSA's generic approval for "Voluntary Customer Satisfaction Surveys to Implement Executive Order 12862 in the Substance Abuse and Mental Health Services Administration."

This is the 2nd submission under that approval and will impose an estimated annual average total burden of 20 hours, which would bring the total currently approved burden under this clearance to 15,630 hours for this data collection. The approved total burden hours for the Customer Satisfaction Survey (OMB No. 0930-0197) are 23,063. The remaining total burden hours in the OMB inventory is 22,917 (126 first one and 20 for this request).

We look forward to receiving your feedback so that implementation may proceed.
