The next several questions address the Data Initiative Track sessions held on Thursday, August 9 and Friday, August 10.

10) Identify which Data Initiative Track sessions you attended.
- Co-occurring Physical Health Conditions
- Families and Youth Health Issues
- Older Adults, Mental Illness and Substance Abuse
- Nonmedical Use of Prescription Drugs
- Using CBHSQ Statistics to Explore State Policy on Substance Use and Abuse

- Data Analysis with BHSIS Data
- Data Analysis with DAWN data
- Data Analysis with NSDUH Data
- SAMHDA, Confidentiality and Restricted-Use Data Access

	Strongly Agree	Agree	Disagree	Strongly Disagree	Not Applicable
11) The hotel conference rooms offered a comfortable atmosphere for attending the Data Initiative Track sessions					
12) The data presented at these sessions generally offered useful insight into the analytic possibilities of the respective surveys covered in the presentations					
13) The topics covered at the sessions generally addressed the range of substance abuse and mental health issues you regularly work on in your professional position					

14) Please identify any substance abuse and/or mental health topics **not** addressed by the Data Initiative Track sessions that you would have liked to have seen.

Text box for respondents to enter responses to Q14.

The next several questions address the Data Users Track (hands-on training) sessions held on Thursday, August 9 and Friday, August 10.

15) Identify which Data Users Track (hands-on training) session you participated in. **(Will be filtered so that individuals attending more than one Data Users Track (hand-on training) will respond to questions for each track they attended)**
- Data Users Track: BHSIS
- Data Users Track: DAWN
- Data Users Track: NSDUH

	Strongly Agree	Agree	Disagree	Strongly Disagree	Not Applicable
16) The hotel conference room offered a comfortable atmosphere for participating in **[BHSIS/DAWN/NSDUH]** data training session					
17) The computers were a helpful addition to the **[BHSIS/DAWN/NSDUH]** data training session					
18) The materials provided at the **[BHSIS/DAWN/NSDUH]** data training session will be a useful resource for working with the data in the future					
19) The **[BHSIS/DAWN/NSDUH]** data training session deepened my understanding of the analytic capabilities of the data					

20) The **[BHSIS/DAWN/NSDUH]** data training session deepened my understanding of how to properly use the data in analyses					
21) The length of the **[BHSIS/DAWN/NSDUH]** data training session was appropriate for meeting my needs to better understand how to use the data					

22) Please identify what you liked best about the [**BHSIS/DAWN/NSDUH**] data training session.

Text box for respondents to enter responses to Q22.

23) Please identify what you liked least about the **[BHSIS/DAWN/NSDUH]** data training session.

Text box for respondents to enter responses to Q23.

24) Please identify how the **[BHSIS/DAWN/NSDUH]** data training session could be modified to better suit the needs of individuals wanting to learn how to use the data.

Text box for respondents to enter responses to Q24.

A couple final questions about your overall satisfaction with the conference

	Very satisfied	Satisfied	Unsatisfied	Very unsatisfied
25) How do you rate you overall level of satisfaction with the sessions and data training provided at the conference				

26) Any additional comments

Text box for respondents to enter responses to Q26.
