OTP State Profiles Report: Customer Feedback Survey

OMB No. 0930-0197

Expiration Date: 03/31/2014

Public Burden Statement: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this project is 0930-0197. Public reporting burden for this collection of information is estimated to average 10 minutes per respondent, per year, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to SAMHSA Reports Clearance Officer, 1 Choke Cherry Road, Room 2-1057, Rockville, Maryland, 20857.

OTP State Profiles Report: Customer Feedback Survey

OTP State Profiles Report: Customer Feedback Survey

The Substance Abuse and Mental Health Services Administration's (SAMHSA) Center for Substance Abuse Treatment (CSAT) currently publishes a "State Profiles" report on medication-assisted treatment for opioid addiction. You have been identified as a possible user of this report. We are interested in knowing what aspects of the report you find most useful as well as which new data elements you'd like to see in future reports.

Your feedback is very important to us. Please mark the response that best describes your opinion. When you have finished, click the "Submit" button at the end of the survey. The responses you provide will remain confidential. All results will be presented in aggregate form only.

If you'd like to refer to the most recent "State Profiles" report as you answer our questions, please click on the following link:

Future reports will be published electronically (as PDFs available online) rather than in print. Please indicate if the following would be useful to your organization. Electronic publication will also allow us to provide some interactive data tools. These will allow you to conduct simple analysis right at your computer.

[If you do not have the software to view PDFs, free software is available at the following site: http://get.adobe.com/reader/]

	Extremely Useful	Somewhat Useful	Neutral	Somewhat Useful	Extremely Unuseful	Don't Know / Not Applicable
PDF for each state profile	○	○	○	○	○	○
PDF of the national summary	○	○	○	○	○	○
PDFs for each region	○	○	○	○	○	○
PDF of the entire report	○	○	○	○	○	○
Interactive DATA TOOLS (for example, to let you check how your State compares to another)	○	○	○	○	○	○

OTP State Profiles Report: Customer Feedback Survey
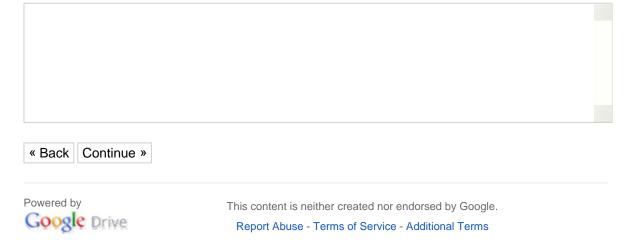

Potential new measures

SAMHSA staff identified other pieces of State (or Territory)-level information that may be helpful to readers of future State Profiles reports. Following are examples of new items that may be included in future "State Profiles" reports. For each item, please think about how useful it might be for your organization and indicate whether data should be included for this item in future reports.

	Include in future reports?	If so, with national comparison?
Summary data highlighting - OTPs in the state that are open 365 days/year	○	○
Summary data highlighting - OTPs with plan to address service discontinuity, disaster, etc.	○	○
Summary data highlighting - OTPs that conduct screening, diagnostic tests for certain medical conditions [list]	○	○
Summary data highlighting - OTPs that test for certain drugs at admission [list]	○	○
Summary data highlighting - OTPs that test, screen for certain psychiatric conditions [listing them], treat with medications, provide counseling	○	○
Summary data highlighting - types and #s of FTEs for various staff categories	○	○
Summary data highlighting - OTPs in State indicating staff use electronic/paper/both for various types of work	○	○

	Include in future reports?	If so, with national comparison?
Summary data highlighting - OTPs in State with patients who must travel more than an hour each way	○	○
Summary data highlighting - OTP patient demographics	○	○
Summary data highlighting - OTPs with # patients in treatment for X days at that OTP	○	○
Summary data highlighting - OTPs with # patients treated with methadone, for detox/maint	○	○
- at what dose (for above)	○	○
Summary data highlighting - # of patients on methadone for 2+ years	○	○
Summary data highlighting - # of patients in treatment for X days at this OTP	○	○
Summary data highlighting - # receiving take-homes and for what # days	○	○
Summary data highlighting - OTPs with # patients treated with buprenorphine, for detox/maint	○	○
- at what dose (for above)	○	○
Summary data highlighting - # of patients on buprenorphine for 2+ years	○	○
Summary data highlighting - # of patients in treatment for X days at this OTP	○	○
Summary data highlighting - # receiving take-homes and for what # days	○	○
Summary data highlighting - # of OTPs that offer amenities such as child care, transportation [list]	○	○

	Include in future reports?	If so, with national comparison?
Summary data highlighting - ED visits for ODs due to prescription drugs, last 3-5 years	○	○

What other item(s) would you like to see included in future "State Profiles" reports? Please list them below, and describe your rationale for adding them.
